# Joining a Jigsaw Interactive Session

Language Arts 5 Section 1VC

Join Session

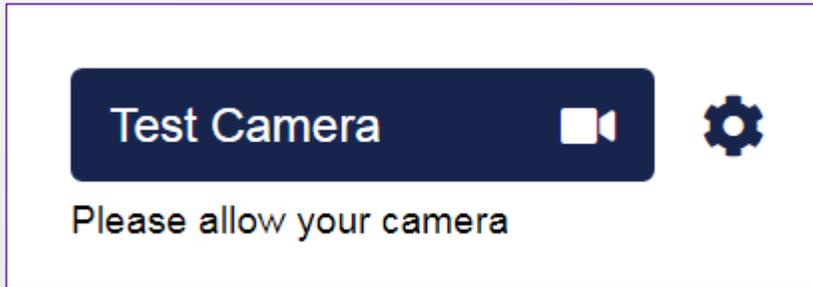

Add to Calendar

The screenshot shows the PAcyber join interface. At the top is the PAcyber logo with the text 'The Pennsylvania Cyber Charter School' and a 'HELP' button. Below the logo is the heading 'Before Joining Your Session' and the instruction 'Please make sure your Camera and Microphone are working...'. There are three test buttons: 'Test Camera' with a camera icon and settings gear, 'Test Microphone' with a microphone icon and settings gear, and 'Test Speaker' with a speaker icon. Below the microphone test is a volume slider. To the right of these tests is a large square area containing a grey icon of a camera with a diagonal slash through it, indicating that the camera is disabled. At the bottom left, there are two green checkmarks with the text 'Your connection has been established.' and 'Audio and video connection is established'. At the bottom right is a 'Join Now' button.

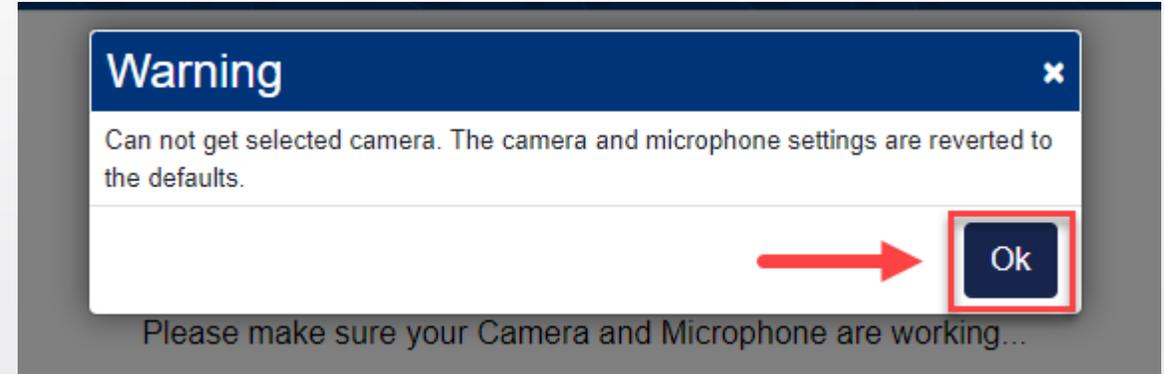

# Testing Your Web Cam

1.

Jigsaw will check for a webcam.

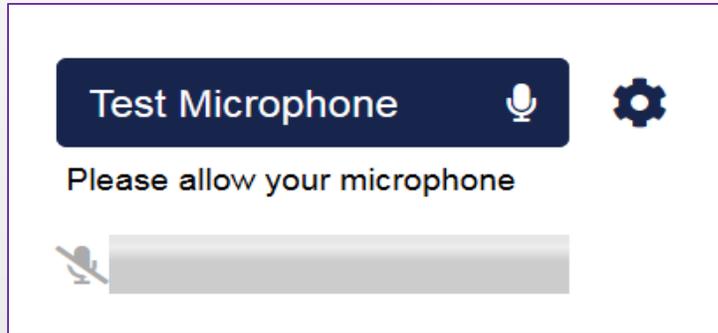

2.

Student laptops will not allow webcam connection. Click OK in this window.

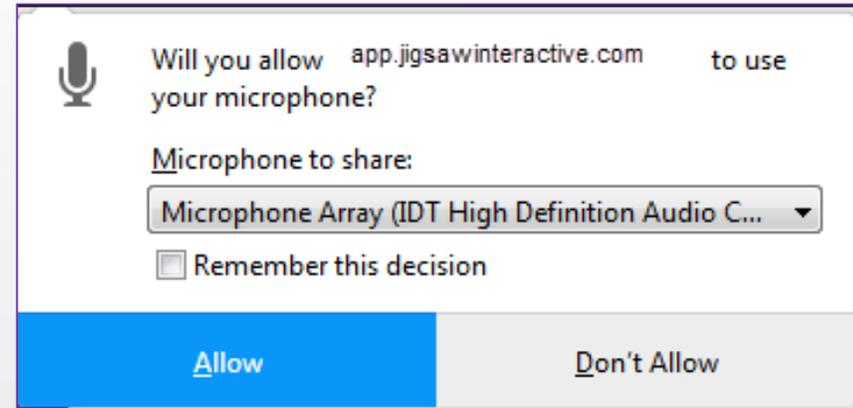

# Testing Your Microphone

1.

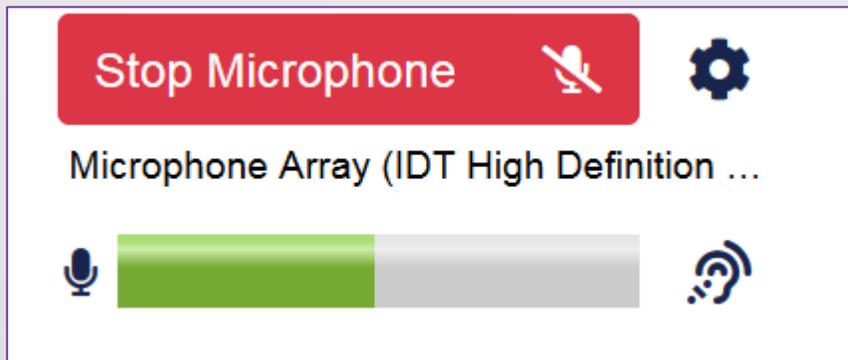

Click Test Microphone to allow your camera.

2.

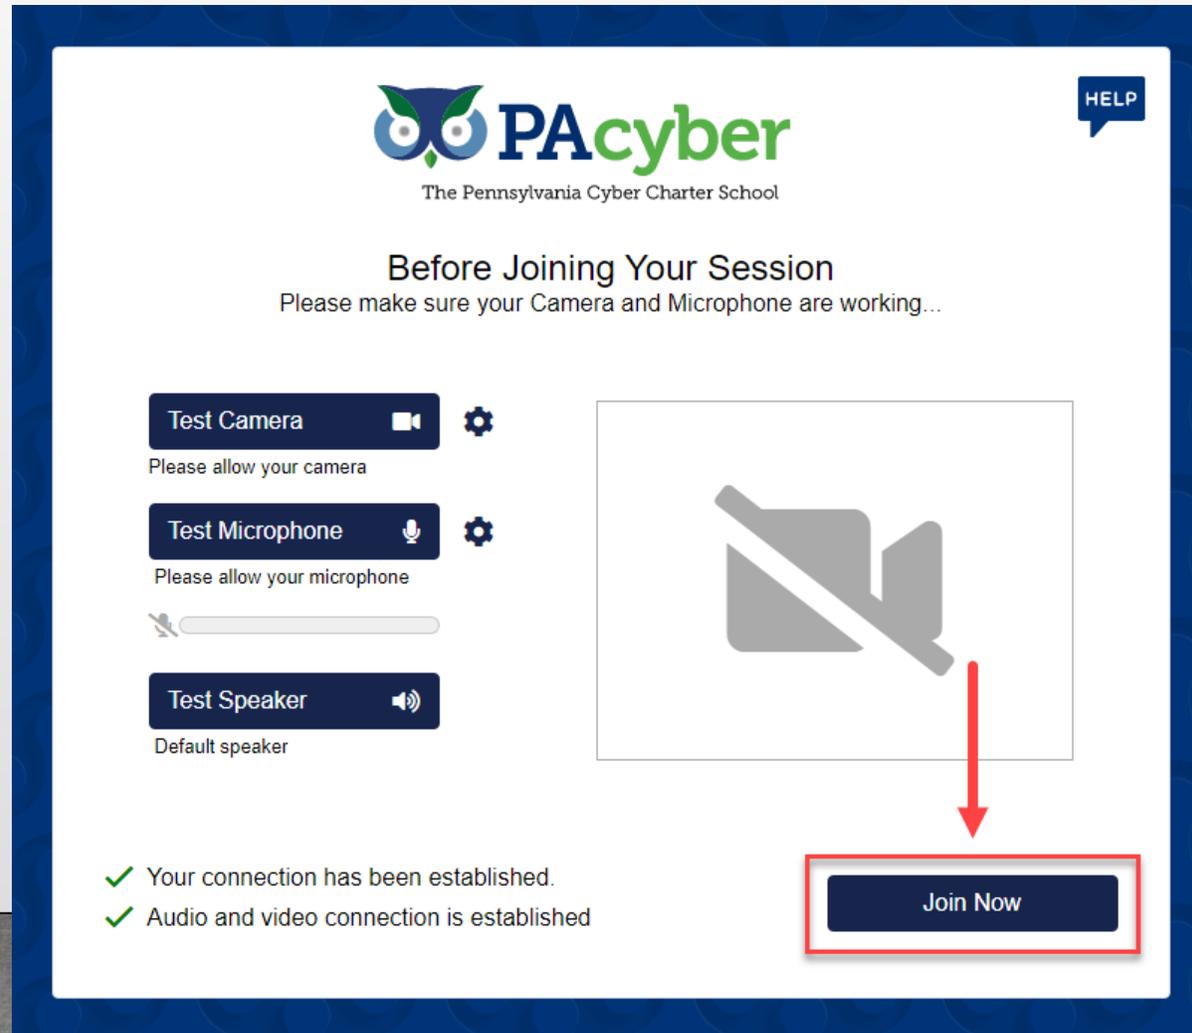

Select your microphone from the drop-down list and click "Allow".

3.

Once you allow your microphone, the "Test Microphone" changes to "Stop Microphone" and the microphone is enabled. Begin speaking to test if your voice is detected. If the microphone is working, you will see the green bar fluctuate.

# Joining a Jigsaw Interactive Session

The screenshot shows the PAcyber joining interface. At the top center is the PAcyber logo, which consists of a stylized owl head in blue and green, followed by the text "PAcyber" in blue and green, and "The Pennsylvania Cyber Charter School" in smaller black text below it. In the top right corner, there is a blue speech bubble icon with the word "HELP" inside. Below the logo, the text "Before Joining Your Session" is centered, followed by "Please make sure your Camera and Microphone are working...". On the left side, there are three dark blue buttons with white text and icons: "Test Camera" with a camera icon and a gear icon, "Test Microphone" with a microphone icon and a gear icon, and "Test Speaker" with a speaker icon. Below the "Test Camera" button is the text "Please allow your camera", and below the "Test Microphone" button is "Please allow your microphone". Below the "Test Speaker" button is "Default speaker". In the center, there is a large white square with a gray icon of a hand with a microphone, crossed out with a diagonal line. A red arrow points from this icon down to a dark blue button with white text that says "Join Now". This button is highlighted with a red rectangular border. At the bottom left, there are two green checkmarks followed by the text "Your connection has been established." and "Audio and video connection is established".

POWERED BY **jigsaw** INTERACTIVE

Our  
Jigsaw  
Platform!

1. Click the red microphone beside your name in the Attendees List.
2. Then click "Allow" so that you can talk during the session.

The screenshot displays the Jigsaw Interactive presentation interface. The top-left pane shows a notification from 'app.jigsawinteractive.com' asking to 'Use your microphone', with the 'Allow' button highlighted by a red box and a red arrow labeled '2'. The top-center pane shows a 'Presentations' slide titled 'Presentation PowerPoint Slides'. The top-right pane shows the 'Attendees' list with 'Brandi Bartley' and 'Test Student' listed; a red arrow labeled '1' points to the microphone icon next to 'Test Student'. The bottom-left pane shows an 'Images' gallery with a picture of Nemo and Dory. The bottom-center pane shows a 'Whiteboard (Group Whiteboard)' area. The bottom-right pane shows a 'Chat (Main Room)' and 'Noteboard (Group No...)' section. The bottom status bar includes navigation icons, a microphone icon, and the text 'POWERED BY jigsaw INTERACTIVE'.

If you click the red webcam icon next to your name, you will see the “Alert” window below. Simply click “Ok” to return to the session.

The screenshot displays a virtual meeting interface with several panels. At the top left, there is a 'Web Cam' indicator with a red camera icon. The main content area is divided into three sections: 'Presentations' at the top, 'Images' at the bottom left, and 'Whiteboard (Group Whiteboard)' at the bottom right. The 'Presentations' section shows a slide with the PAcyber logo and a large 'Alert' window. The 'Alert' window has a blue header with the text 'Alert' and a close button. The main text of the alert reads: 'The browser does not recognize your camera. Please allow access to your camera within the browser settings.' Below the text is a red arrow pointing to a blue 'Ok' button. The 'Images' panel shows a picture of Nemo and Dory from the movie 'Finding Nemo'. The 'Whiteboard' panel is currently blank. On the right side, there is a sidebar with 'Attendees' and 'Chat (Main Room)'. The 'Attendees' list includes 'Main Room', 'Brandi Bartley', and 'Test Student'. Next to 'Test Student' is a red webcam icon, which is highlighted with a red box and a red arrow. Below the attendees is a chat area with a text input field and a 'Type your message here...' placeholder. At the bottom of the interface, there is a navigation bar with a microphone icon and the text 'POWERED BY jigsaw INTERACTIVE'.

Switch Side  
Panel To  
Other Side

The screenshot displays the Jigsaw Interactive interface with a dark blue header and footer. The main content area is divided into four quadrants: top-left (Web Cam), top-right (Screen Sharing), bottom-left (Images), and bottom-right (Whiteboard). A vertical side panel on the right side is highlighted with a red border and contains the following sections: Attendees (1) with a list including Brandi Bartley; Chat (Main Room); and Noteboard (Group N...). A red arrow points to a square icon with a white play symbol inside a red square, located at the top of the side panel. The footer includes navigation arrows, a microphone icon, and the text 'POWERED BY jigsaw INTERACTIVE'.

Switch it Back

The screenshot displays the Jigsaw Interactive web interface. On the left is a sidebar with a red border. At the top of the sidebar is the Jigsaw Interactive logo. Below it are sections for 'Attendees (1)', 'Main Room' (listing 'Brandi Bartley'), 'Chat (Main Room)', and 'Noteboard (Group N...)' (showing 'No Notes yet.'). A red box highlights the top navigation icons in the sidebar, and a red arrow points to the screen sharing icon. The main content area is split into four panels: 'Web Cam' (top left), 'Screen Sharing' (top right), 'Images' (bottom left), and 'Whiteboard (Group Whiteboard)' (bottom right). The 'Screen Sharing' panel shows a 'Welcome to Screen Sharing!' message and a 'Click [icon] to start sharing.' instruction. The 'Whiteboard' panel has a toolbar with various drawing tools. The bottom of the interface features a navigation bar with a microphone icon and the text 'POWERED BY jigsaw INTERACTIVE'.

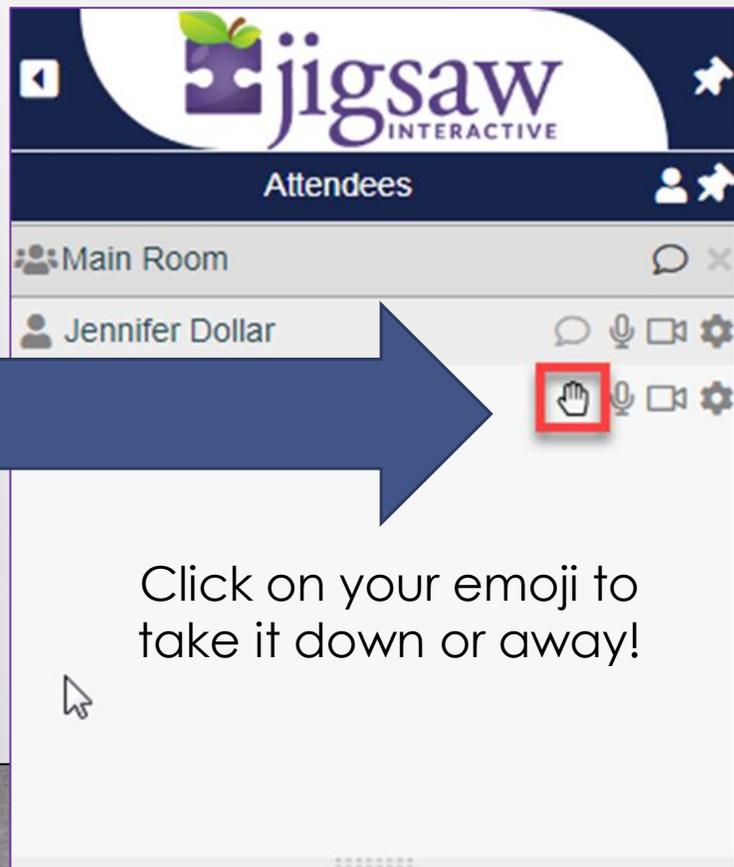

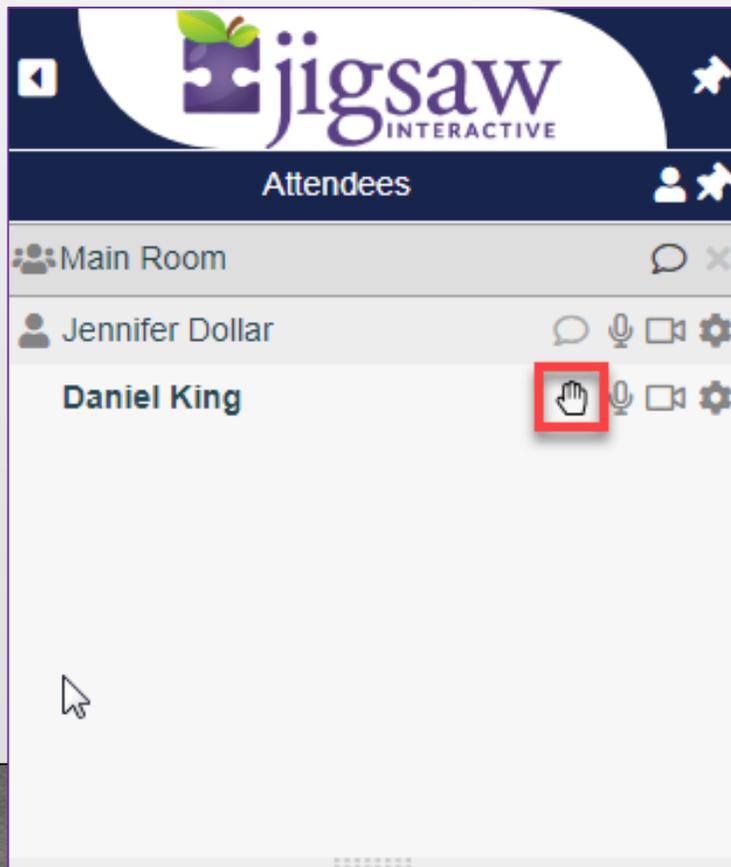

# Emoji Feedback

The screenshot displays the Jigsaw Interactive interface with several panels:

- Web Cam:** Shows the Jigsaw Interactive logo and tagline: "jigsaw INTERACTIVE Changing How the World Learns and Collaborates".
- Screen Sharing:** Contains a red-bordered box with the text: "Only you and the Presenter can view your Emoji Feedback".
- Attendees (1):** Lists "Brandi Bartley" with a red-bordered emoji feedback icon next to her name. A red arrow points from this icon to the emoji feedback bar at the bottom.
- Images:** Shows the Jigsaw Interactive logo on a dark background.
- Whiteboard (Group Whiteboard):** A blank whiteboard with a toolbar on the right.
- Chat (Main Room):** A chat area with a text input field and a "Type your message here" placeholder.
- Noteboard (Group ...):** A noteboard area with the text "No Notes yet."

At the bottom of the interface, there is a navigation bar with a red-bordered box containing a row of icons: a hand, a smiley face, a neutral face, a sad face, a thumbs up, a thumbs down, a speaker, a microphone, a checkmark, and a red X. A red arrow points to the smiley face icon in this bar.

After an emoji is selected, only the teacher is notified. You will be able to see it next to your name in the Attendee List!

Click on your emoji to take it down or away!

# Using the Microphone

The screenshot displays a meeting interface with four main panels: 'Web Cam', 'Screen Sharing', 'Images', and 'Whiteboard (Group Whiteboard)'. The 'Web Cam' panel shows the Jigsaw Interactive logo. The 'Screen Sharing' panel displays a 'Welcome to Screen S...' message and a 'Click [arrow] to start sh...' button. The 'Images' panel shows a smaller version of the Jigsaw Interactive logo. The 'Whiteboard (Group Whiteboard)' panel is currently empty. At the bottom of the interface, there is a navigation bar with a microphone icon highlighted by a red square. A red arrow points from the word 'Talk' to this microphone icon.

# Why is my name Orange???

This means that there may be an issue with your internet connection or strength.

You will remain on a delay until that connection is reestablished.

# Refresh my connection

The screenshot shows a settings menu with a close button (X) in the top right corner. On the left is a profile picture of penguins. The menu is divided into sections: **Settings** (Microphone, Web Cam, Notifications) and **Other Tools** (Step Away, Report a bug, Go to Knowledge Base). Below these is a section titled **Having Problems?** containing a button labeled **Refresh My Connection**, which is highlighted with a red rectangular border. A large blue arrow points from the right towards this button. At the bottom of the menu are links for [Privacy Policy](#), [Terms of Use](#), [Help](#), and an **Exit session** button with a door icon.

If the session freezes, the host adds assets, or there is a loss of connectivity, you can attempt to reset the connection by clicking this option. It will refresh the connection. If this does not fix the issue, you can attempt to leave the session and rejoin after a couple of minutes.

POWERED BY jigsaw INTERACTIVE

The Chat Box!

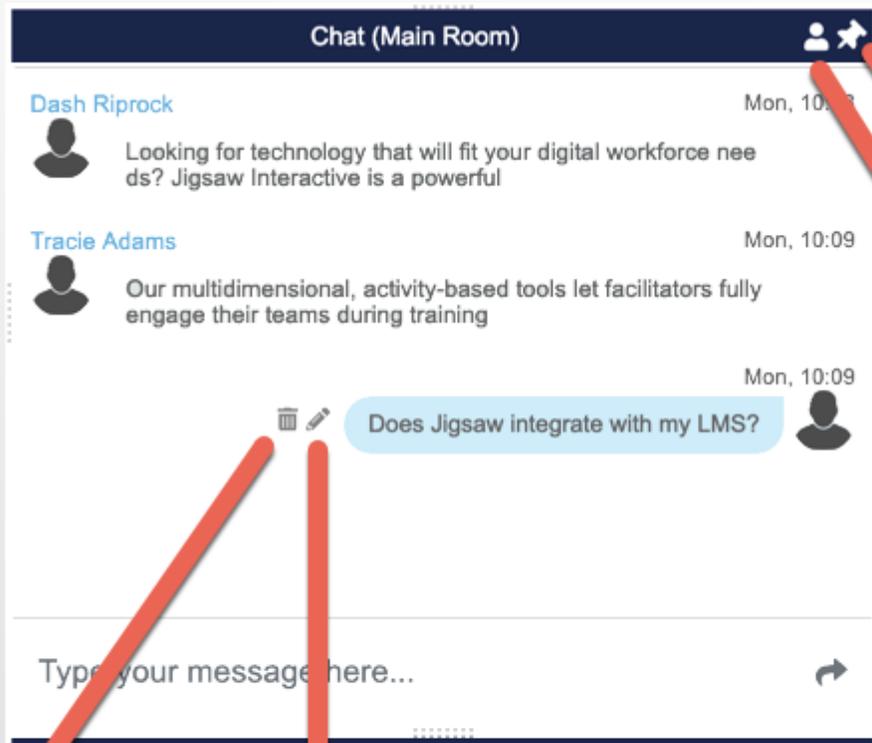

# Main Room Chat

Messages sent out in the Main Room Chat appear for everyone in the session to see.

In the Side Panel, type your message in the Main Room Chat pane and press Enter.

**Delete Chat**

**Edit Chat**

**Unpin Pane**

**Maximize Me**

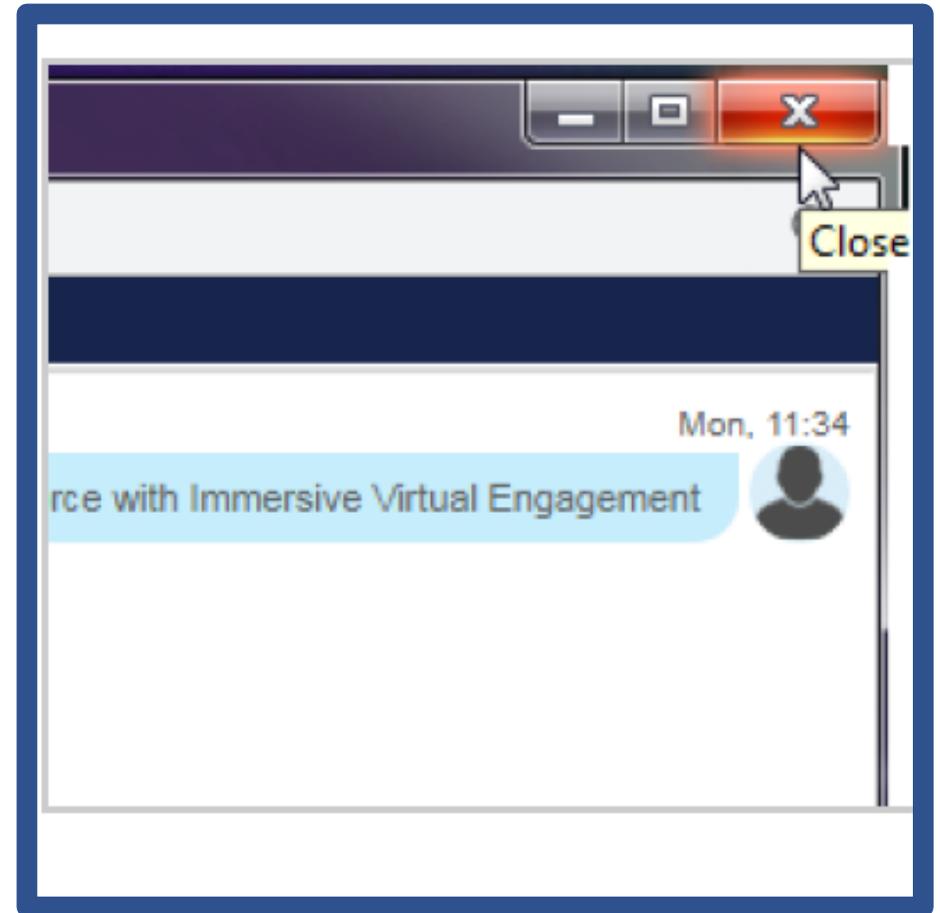

Delete or edit any chat that you post by selecting the corresponding icons to the left of the message.

Maximize the chat pane for you or unpin the chat pane to resize using the icons in the upper right of the chat pane.

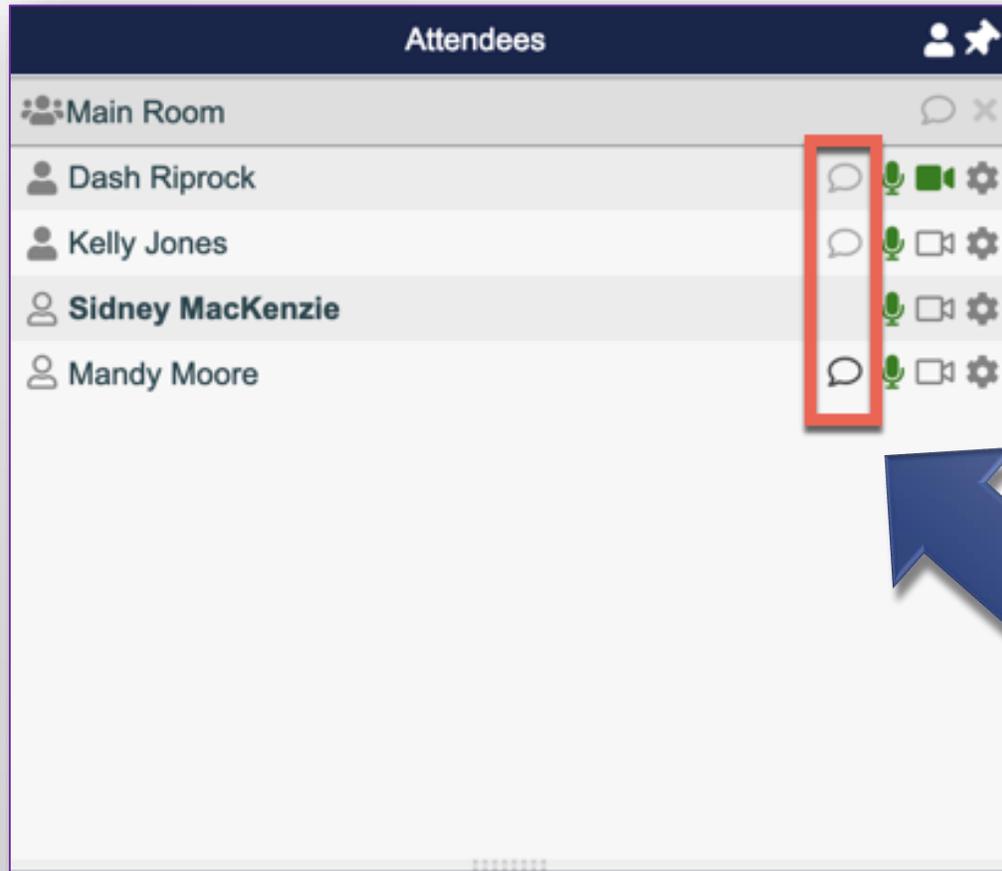

To close the unpinned chat pane and re-pin it to the session, click on the "X" to close the browser window.

How to return to default if I unpin the chat pane?

Click the X to close and the chat will return to the default view.

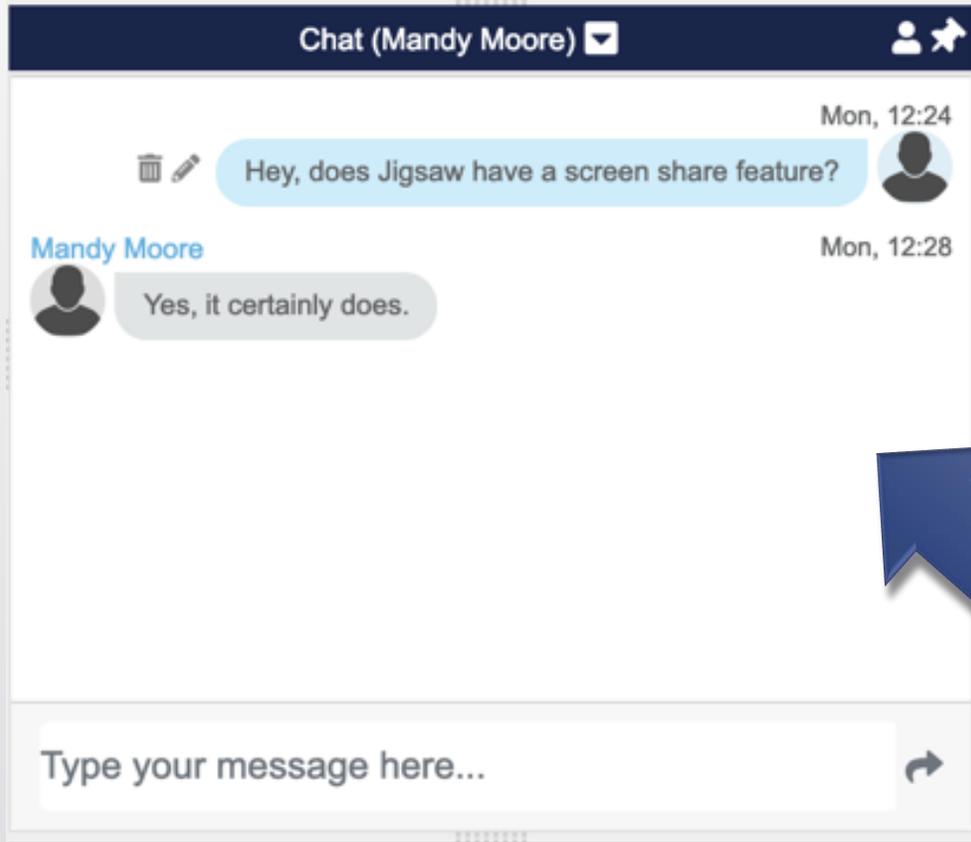

# Sending a direct chat to the host

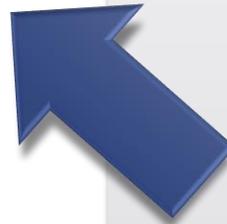

The Direct Message icon is found in the Attendee pane to the right of each student's name.

Click on the icon to send a direct message.

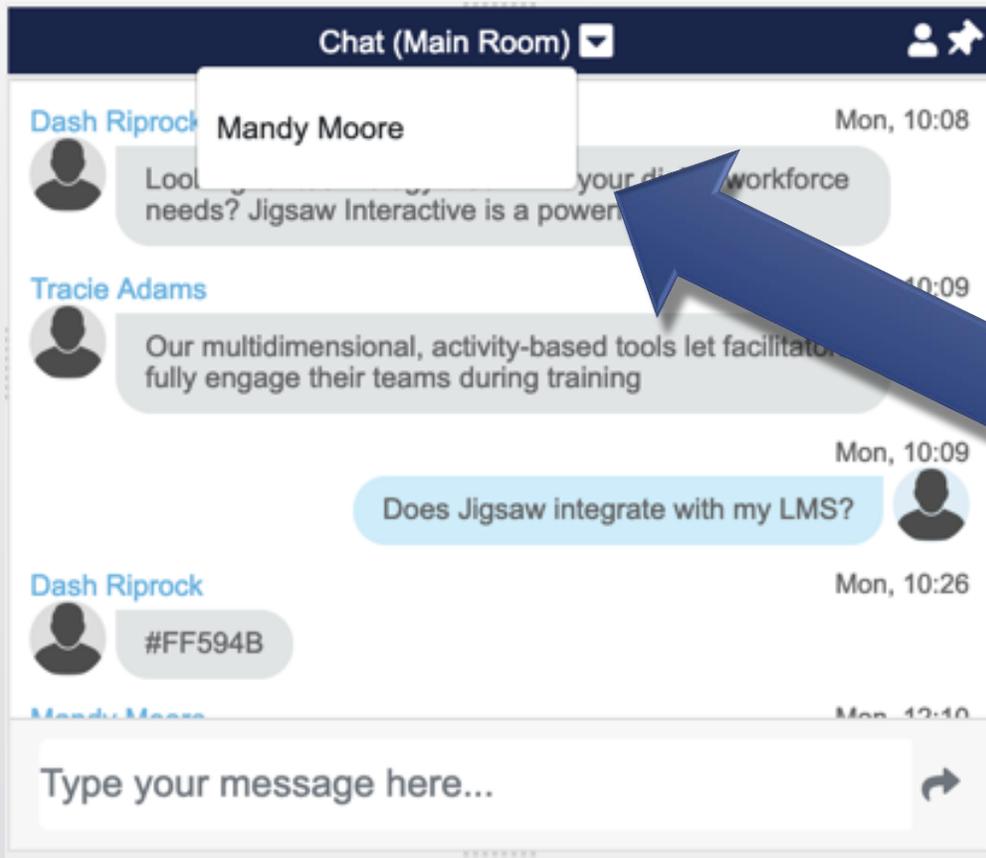

# Sending a direct chat to the host

The Main Room chat pane switches to your direct chat for you to type and send your message.

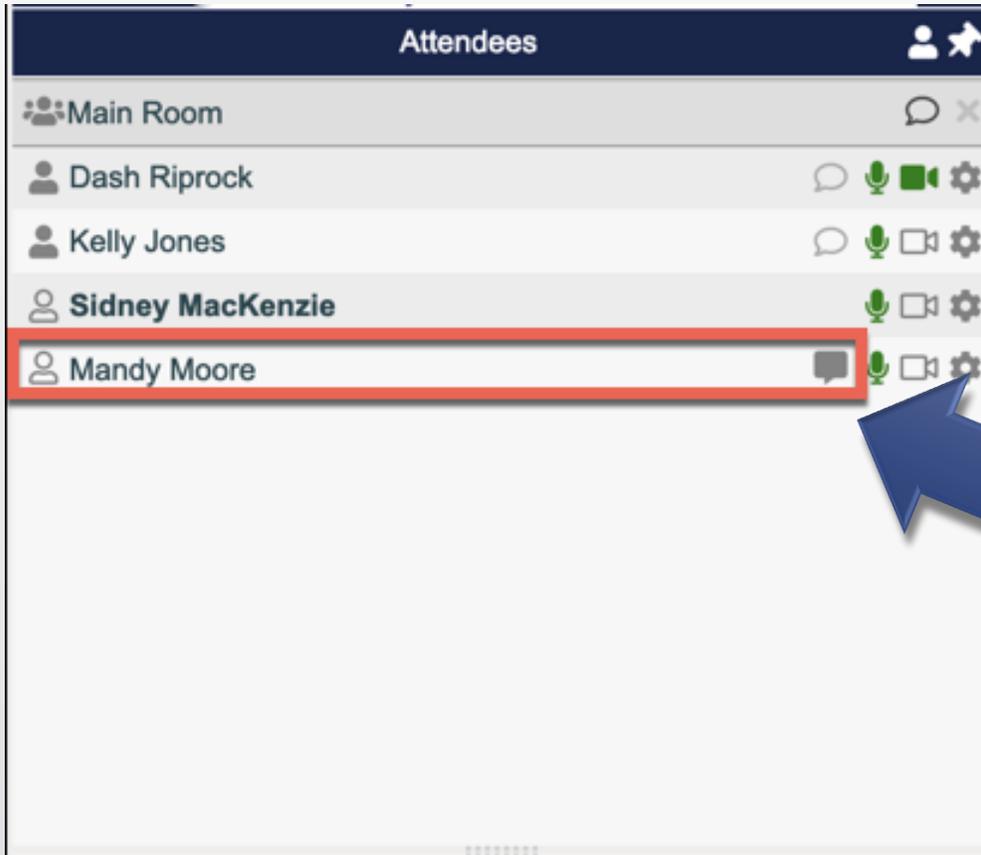

# Sending a direct chat to the host

Switch between Main Room Chat and the direct message from the drop-down menu. You can also close your direct message by clicking on the **Direct Message** icon again in the attendee pane.

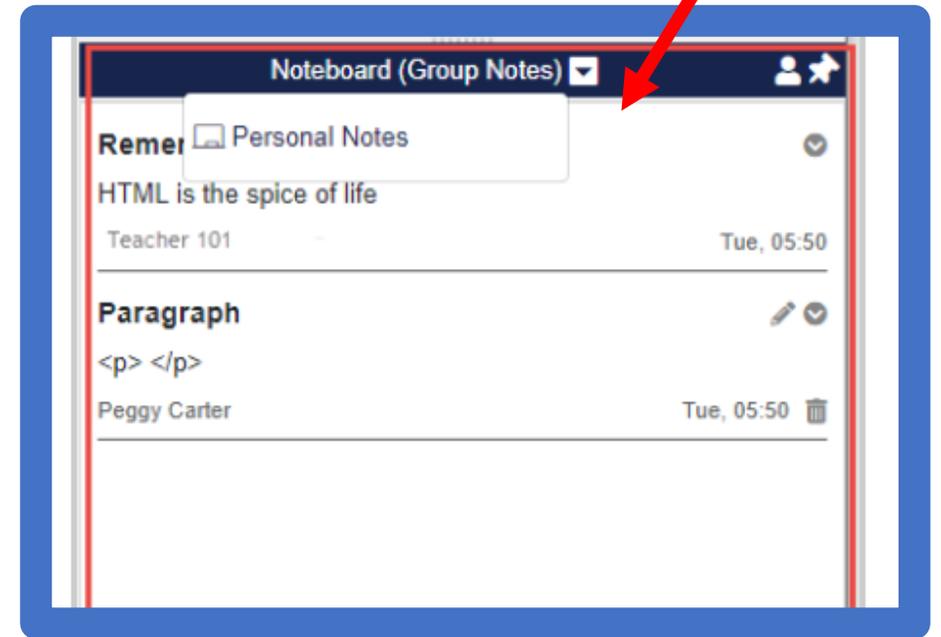

# Getting a Direct Message

When someone sends you a direct message the icon beside their name in the attendee pane changes to a gray square direct message icon. Open the direct message by clicking on the icon.

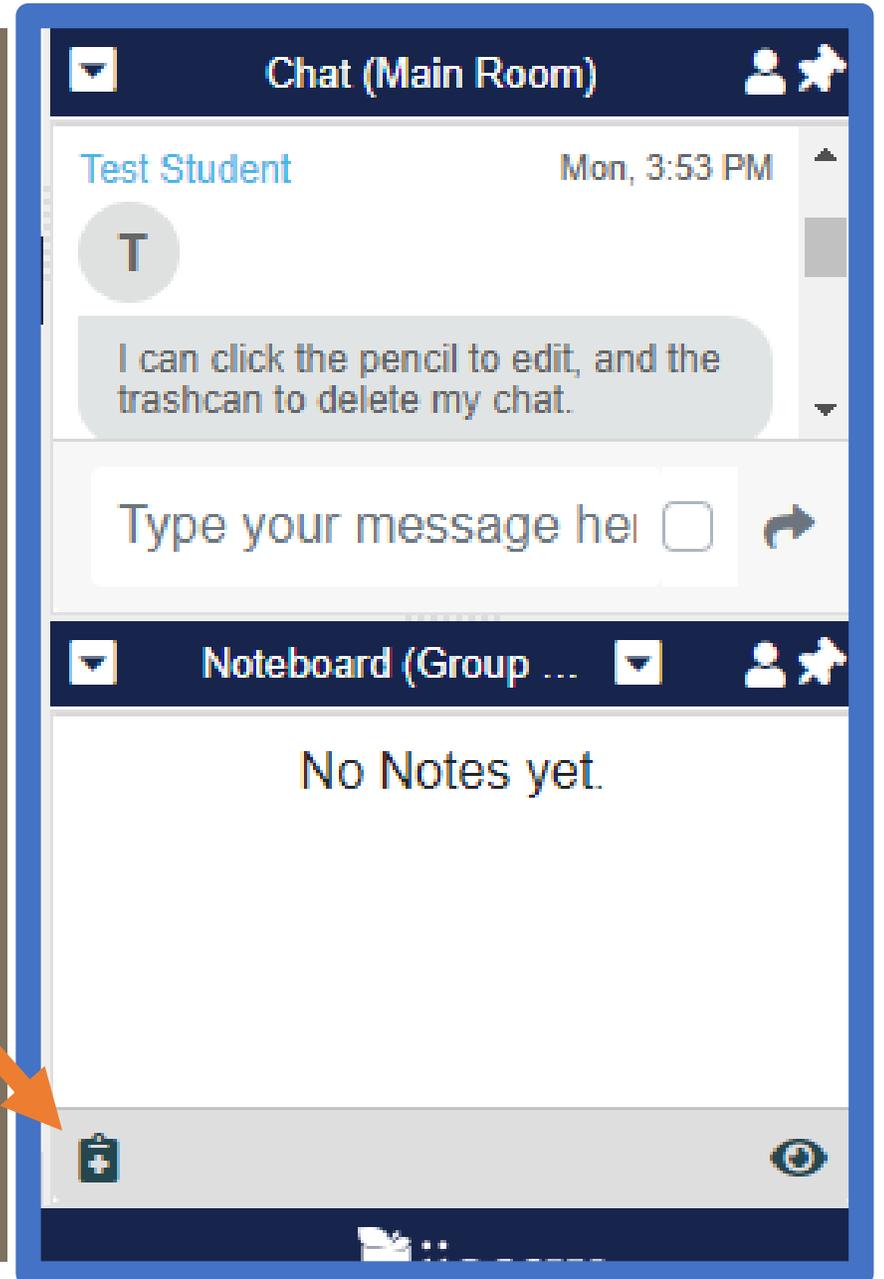

# The Noteboard

- Allows us to take notes at a personal and group level.
- Use the dropdown arrow to move between group and personal notes as needed.
- Personal notes are private- and are for you to take notes while the teacher is presenting!
- Notes can be exported as a PDF and saved.

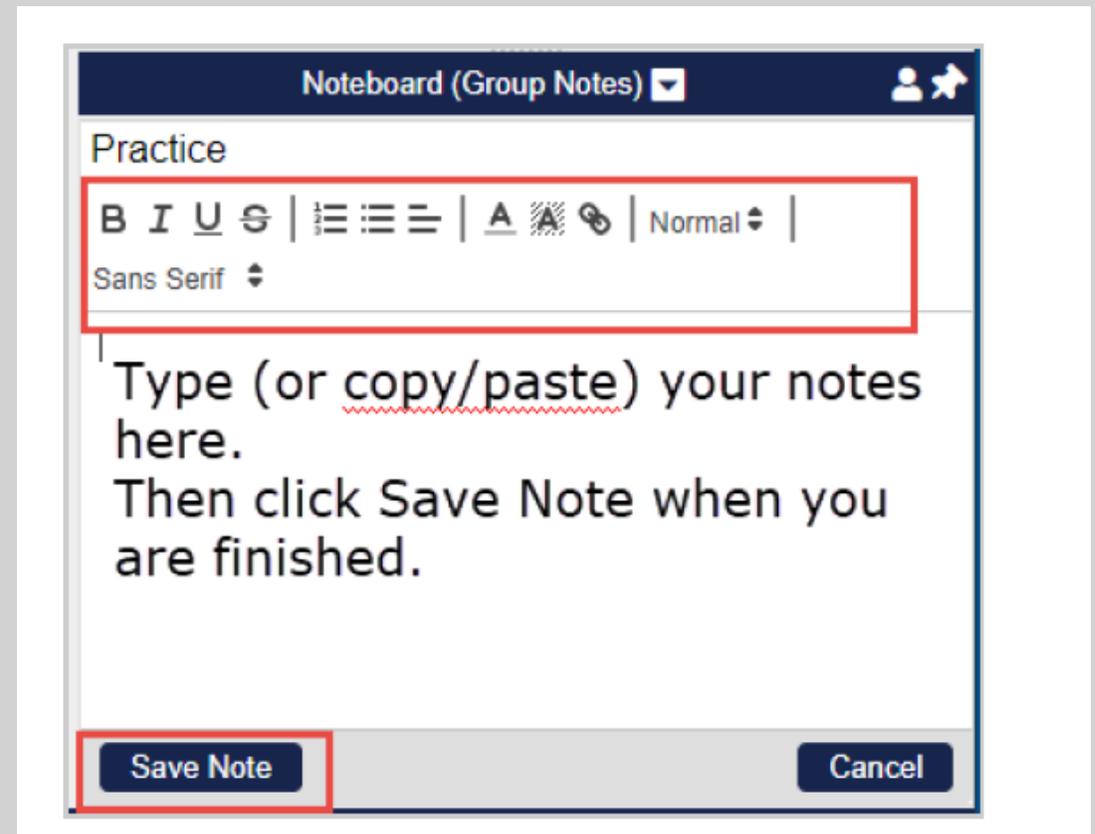

How do I create a note?  
Click the “clipboard” icon.

---

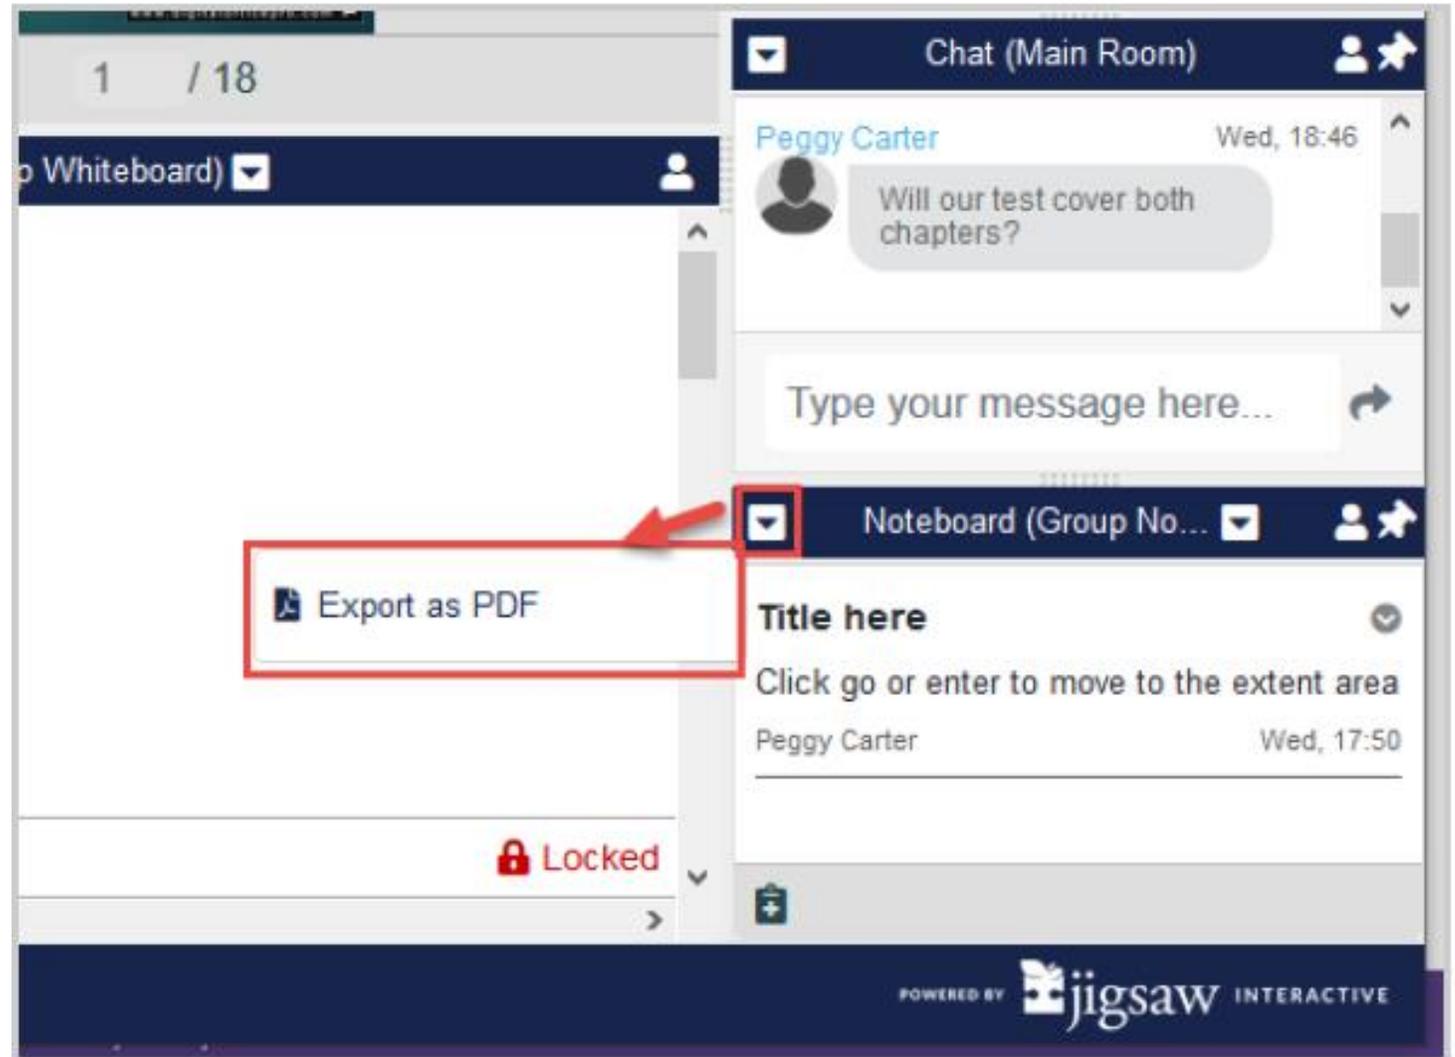

# Next Steps

- Enter a title (optional)
- Type (or copy and paste) the information to be put in the note.
- You can adjust font settings as needed.
- Type save note when you are finished. You can also click cancel if you decide you don't want to continue with the note.

*How to export notes as a PDF?*

Click on the dropdown arrow in the Noteboard window and then select Export as PDF.

Pane 1

Media

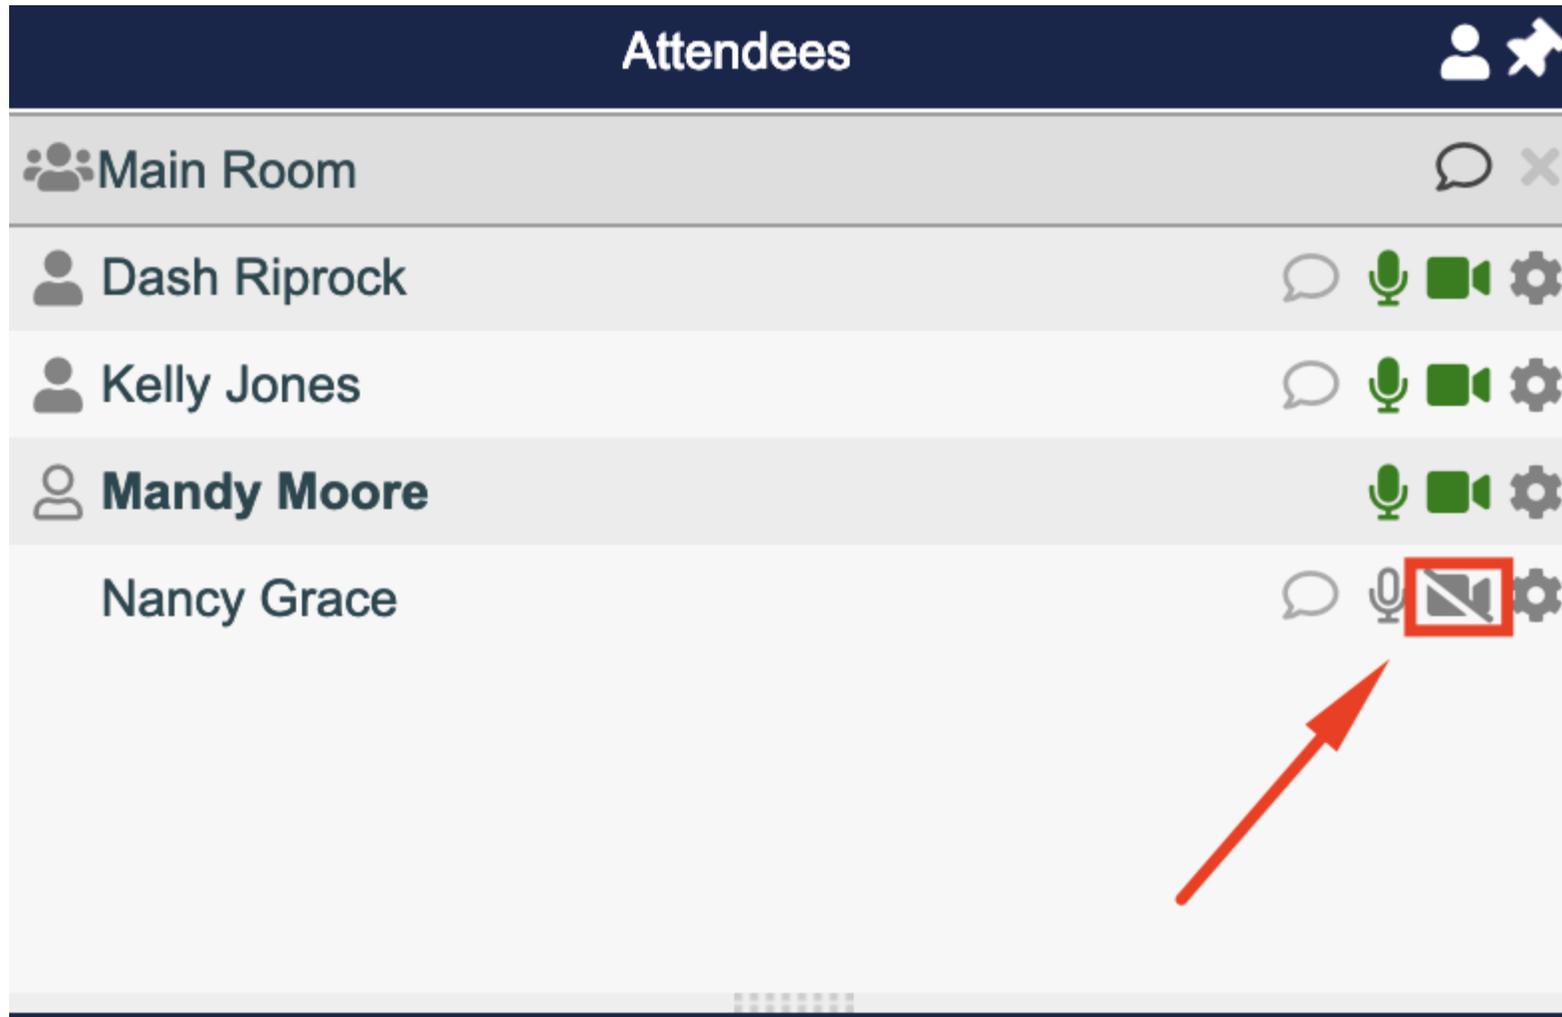

(Video – Audio –  
Webcam)

# Web Cams

To use the web cam click on the white camera button next to the word's web cam:

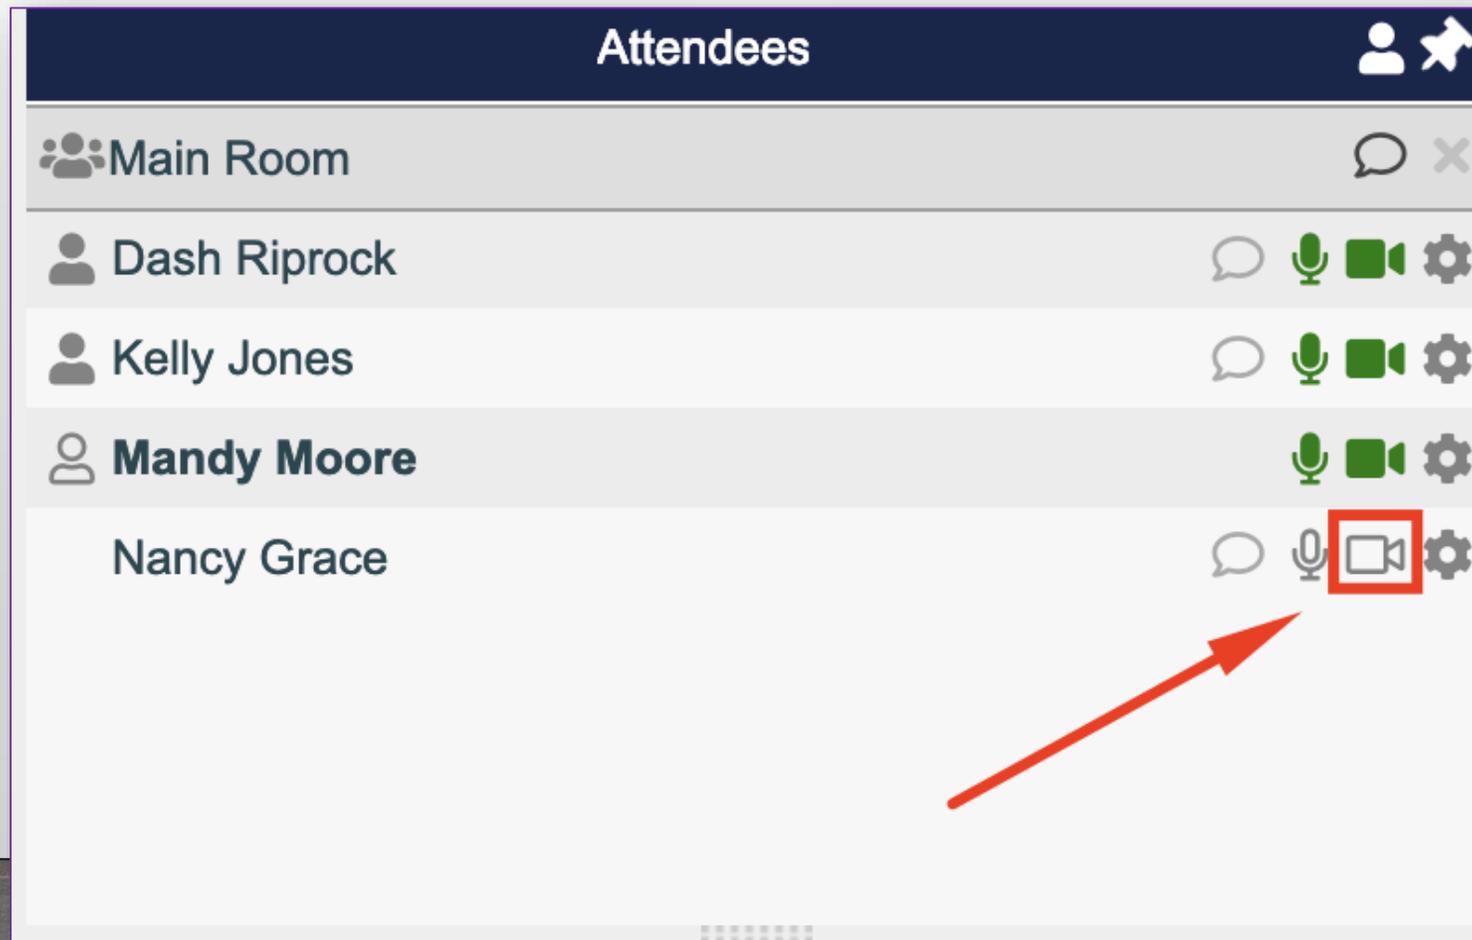

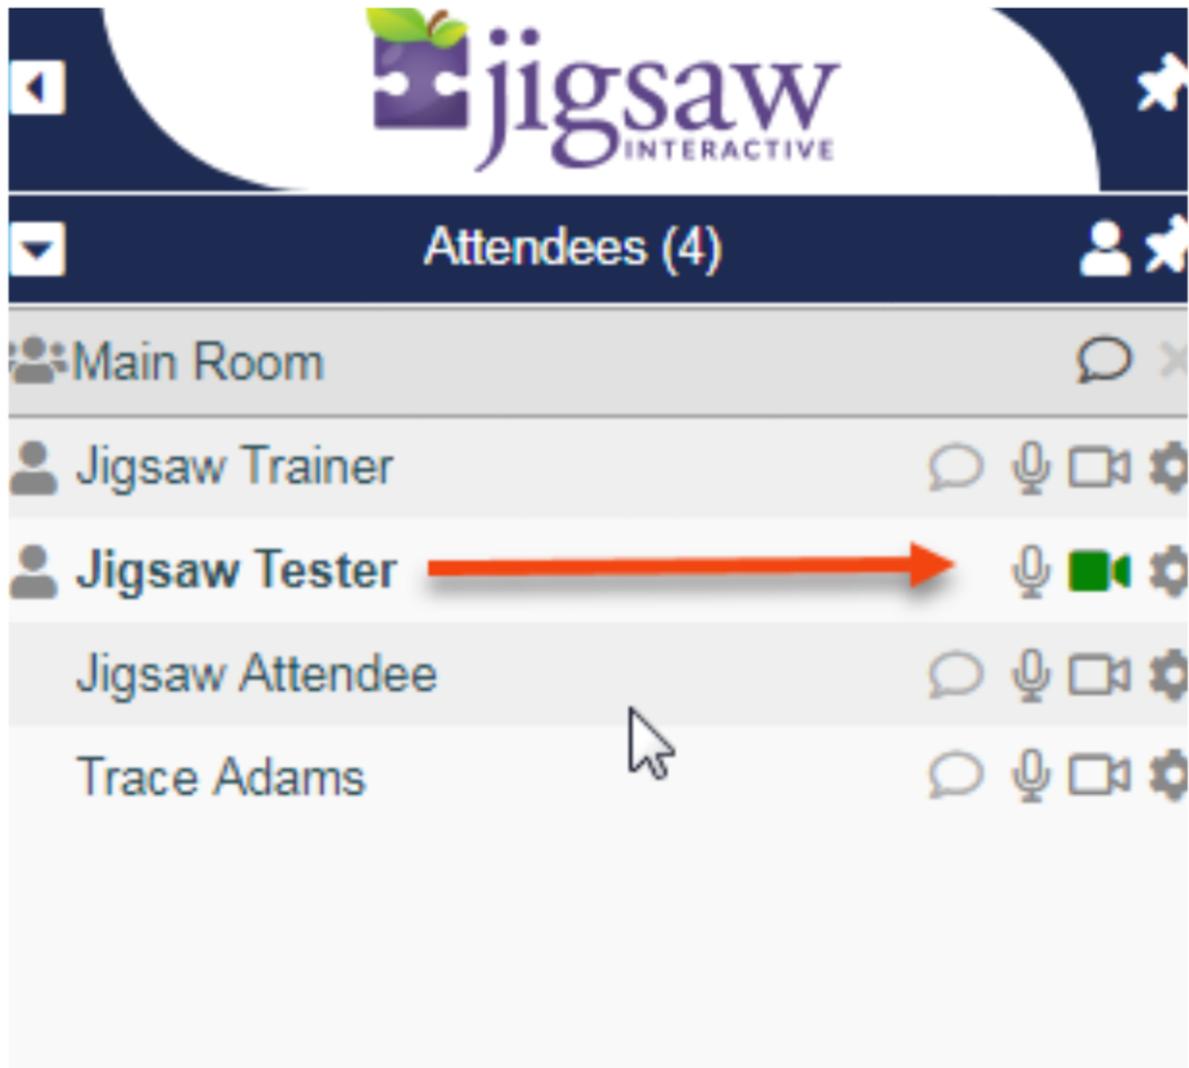

## Attendee List – Web Cam Permissions

This is what it looks like when the attendee's webcam has not been allowed by the teacher.

//////

This is what it looks like when the attendee's webcam has been allowed by the teacher.

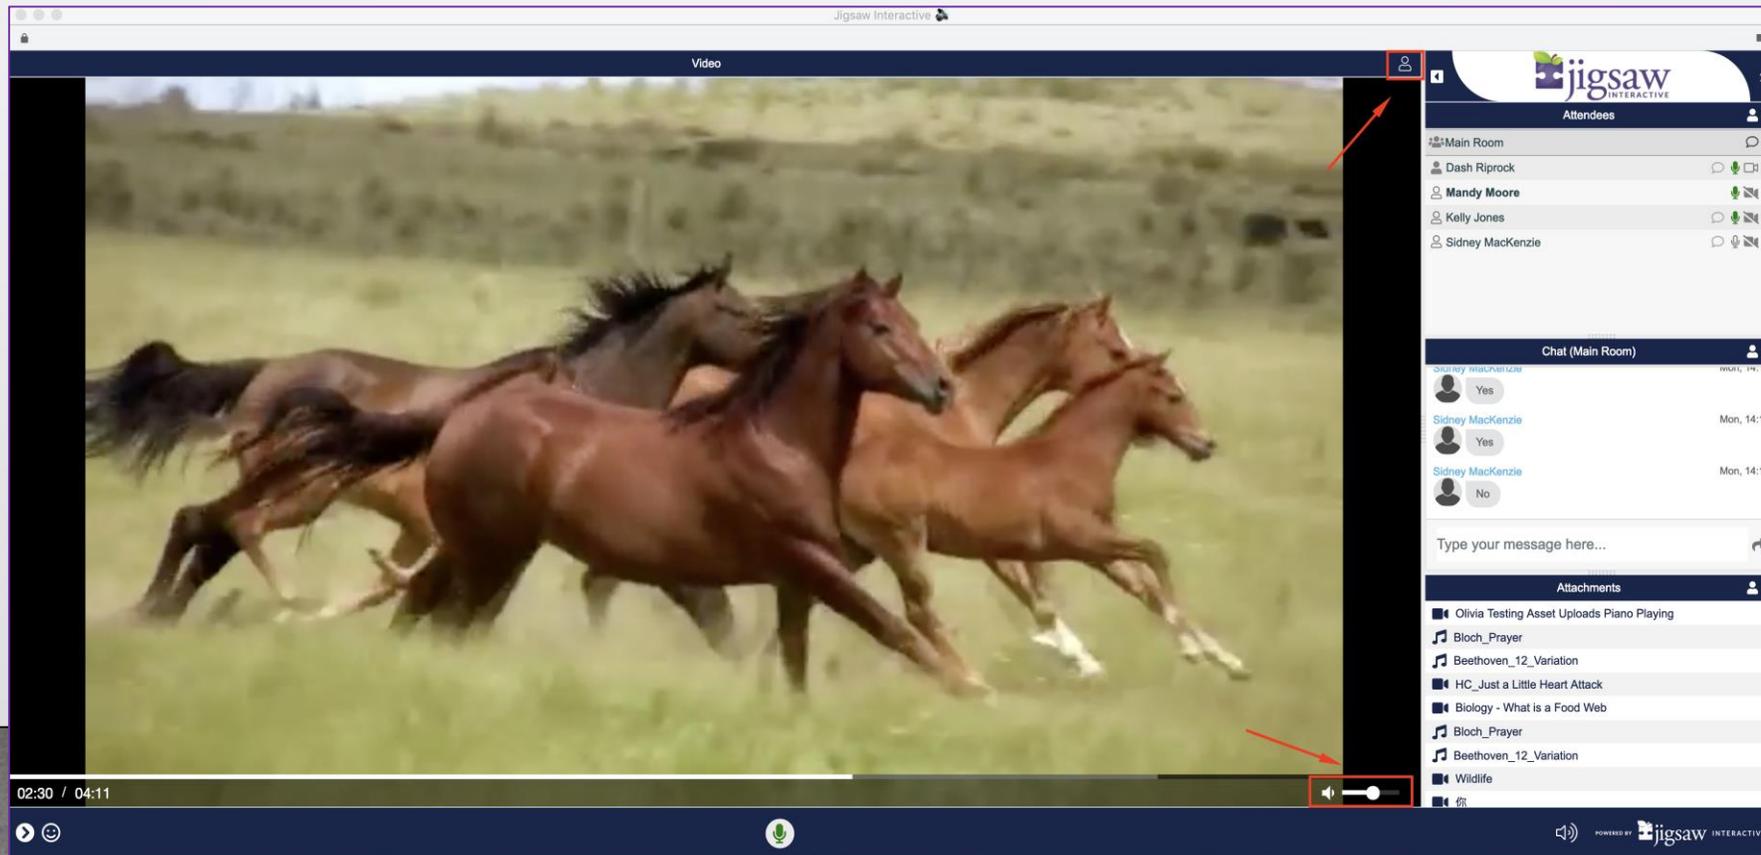

# Who is using their camera?

When the web cam is on, the camera icon turns GREEN and can be seen by everyone.

# WATCHING VIDEOS

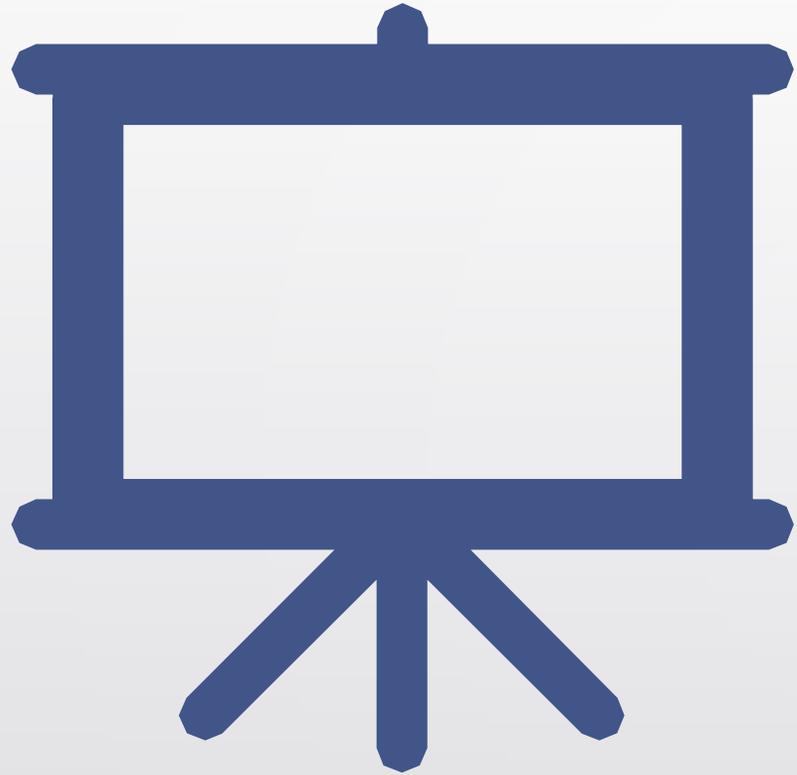

When the teacher plays a video in the session, attendees can watch the video in pane 1. The volume level can be adjusted by moving the slider from left to right in the bottom right-hand corner of pane 1. To maximize the video, click the "Maximize Me" icon in pane 1.

# Listening to Audio

When the Host or Co-Presenter plays an audio file in the session, attendees can listen and adjust the sound level by moving the volume slider from left to right.

The screenshot displays the Jigsaw Interactive interface during a session. The top-left panel shows the Jigsaw Interactive logo and a video player with a red box highlighting the 'Audio' tab and a volume slider. The top-right panel shows a 'Screen Sharing' area with multiple thumbnails of participants, including Tracie Adams and Dash Riprock. The bottom-left panel shows an 'Images' gallery with four images: a large orange flower, yellow tulips, penguins, and a lighthouse. The bottom-right panel shows a 'Whiteboard (Group Whiteboard)' with handwritten text: 'an Valentine' and 'Writing using open'. The right sidebar contains an 'Attendees' list with names like Dash Riprock, April Valentine, and Mandy Moore, a 'Chat (Main Room)' with messages like 'WOW BAD AUDIO', and an 'Attachments' list including 'Beethoven\_12\_Variation', 'Wildlife', and 'MP4\_1280p\_Why do we dream - Amy Adkins'. The bottom status bar shows the Jigsaw Interactive logo and 'POWERED BY' text.

Pane 2  
Presentations  
Screen-  
Sharing  
Documents

# What is done in Pane 2?

The screenshot displays a virtual meeting interface with four main panes:

- Web Cam:** Shows the PAcyber logo (The Pennsylvania Cyber Charter School).
- Screen Sharing:** Displays a presentation slide titled "Bee Loops Multiple Choice" with a green grid puzzle and a question: "Which blocks will solve the puzzle?". Below the puzzle are four multiple-choice options. To the right is a text box asking "What is your favorite class in school and why?". At the bottom of the slide, it says "Welcome, Students! CODING III MR. LINDNER" and a chalkboard graphic listing subjects: Computers, Math, Chemistry, Language, Physics, Writing, Education, Biology, Music, History, School, Arts, and Economics.
- Images:** Shows a 3D pie chart titled "Host Engagement Percentage Ratios" with the following data:

Category	Percentage
Total Unused Tools	38%
General HEP	9%
Group Tools HEP	10%
Student Interaction HEP	13%
Presentations HEP	5%
Documents HEP	4%
Videos HEP	11%
Web Link HEP	6%
Attachments HEP	8%
- Whiteboard (Group Whiteboard):** Currently blank with a toolbar on the right and a "1 of 1" indicator at the bottom.

Presentations and Documents

- The attendee can view the presentations the host is sharing.

# Presentation

The attendee can:

The can see how many pages

‘Maximize Me’

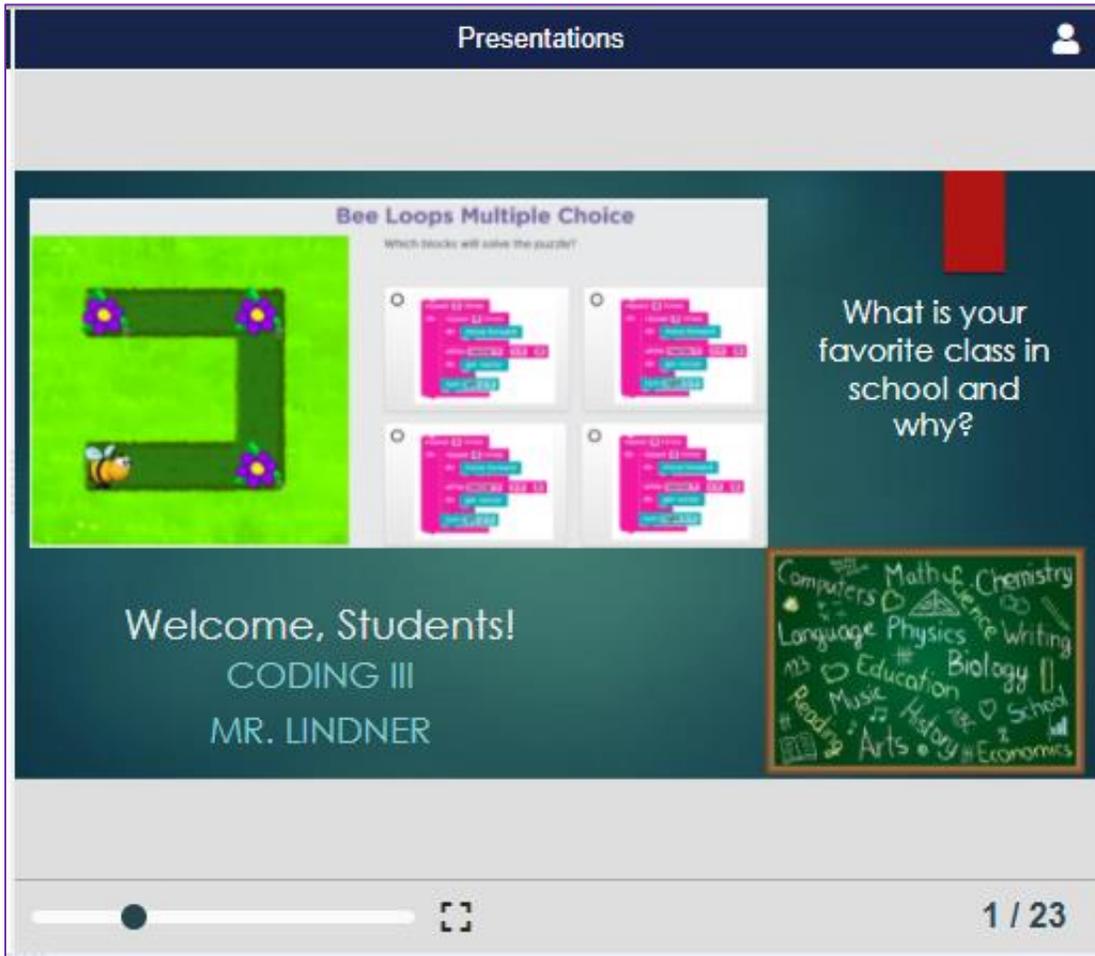

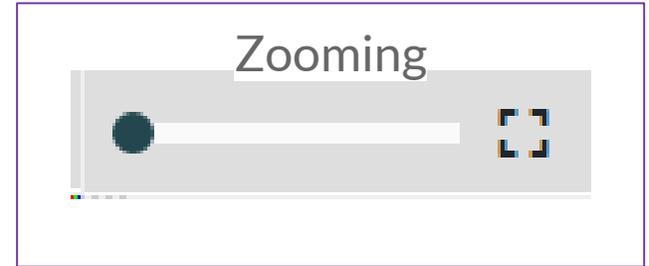

Zoom in and out

Annotate (when given rights)

The screenshot displays a web application interface with two main panels. The left panel, titled 'Web Cam', shows a dark background with the 'jigsaw INTERACTIVE' logo. The right panel, titled 'Presentations', displays a slide with the text 'A quick introduction to our online classroom' and a bulleted list: '▶ Smiley faces', '▶ The chat window', and '▶ How do you ask questions?'. A red rectangular highlight is visible in the top right corner of the slide. At the bottom right of the slide, there is a logo for 'HTML5 POINT TRIAL' with the website 'www.digitalofficepro.com'. Below the presentation panel is a 'Whiteboard (Group Whiteboard)' area, which is currently empty. The bottom status bar shows '1 of 1' on the left and a 'Locked' indicator on the right.

1 of 2

# Screen-Sharing

This is what an attendee will see when a host or admin is sharing their screen.

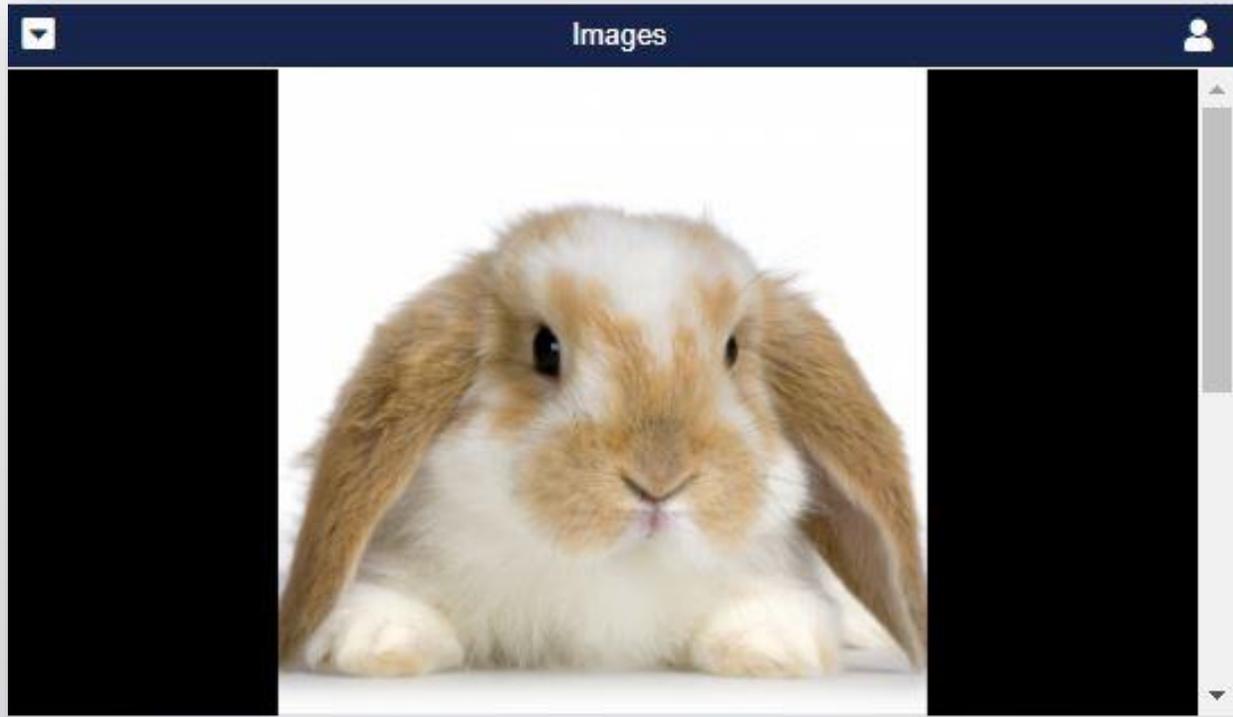

You maintain the ability to zoom in and out, as well as the ability to use "Maximize Me" to make the screen share in Pane 2 full screen.

The screenshot displays a screen-sharing session of the Code.org Express Course (2019) interface. The browser address bar shows the URL <https://studio.code.org/s/express-2019>. The page title is "Express Course (2019)" with a subtitle: "Learn the basics of computer science and internet safety. At the end of the course, create your very own game or story you can share." Below the title are "Try Now" and "Get Help" buttons. The interface is divided into sections: "Warm-Up" and "Sequencing".

Lesson Name	Progress
1. Dance Party	1 2 3 4 5 6 7 8 9 10 11 12 13
2. Programming with Angry Birds	1 2 3 4 5 6 7 8 9 10 11

The bottom of the screen shows a Windows taskbar with various application icons and a system tray with the time 9:31 PM. A volume slider is visible in the bottom left corner. The name "Jeanette Hawkinson" is displayed in the bottom right corner of the screen-sharing area. At the very bottom, a dark blue bar contains the text "Whiteboard (Group Whiteboard)" and a user icon.

# Group Whiteboard vs. My Whiteboard

Whiteboard (Group Whiteboard)

## Group Whiteboard

\*Viewable by ALL participants

\*Participants can save the Whiteboard screen via the PDF icon.

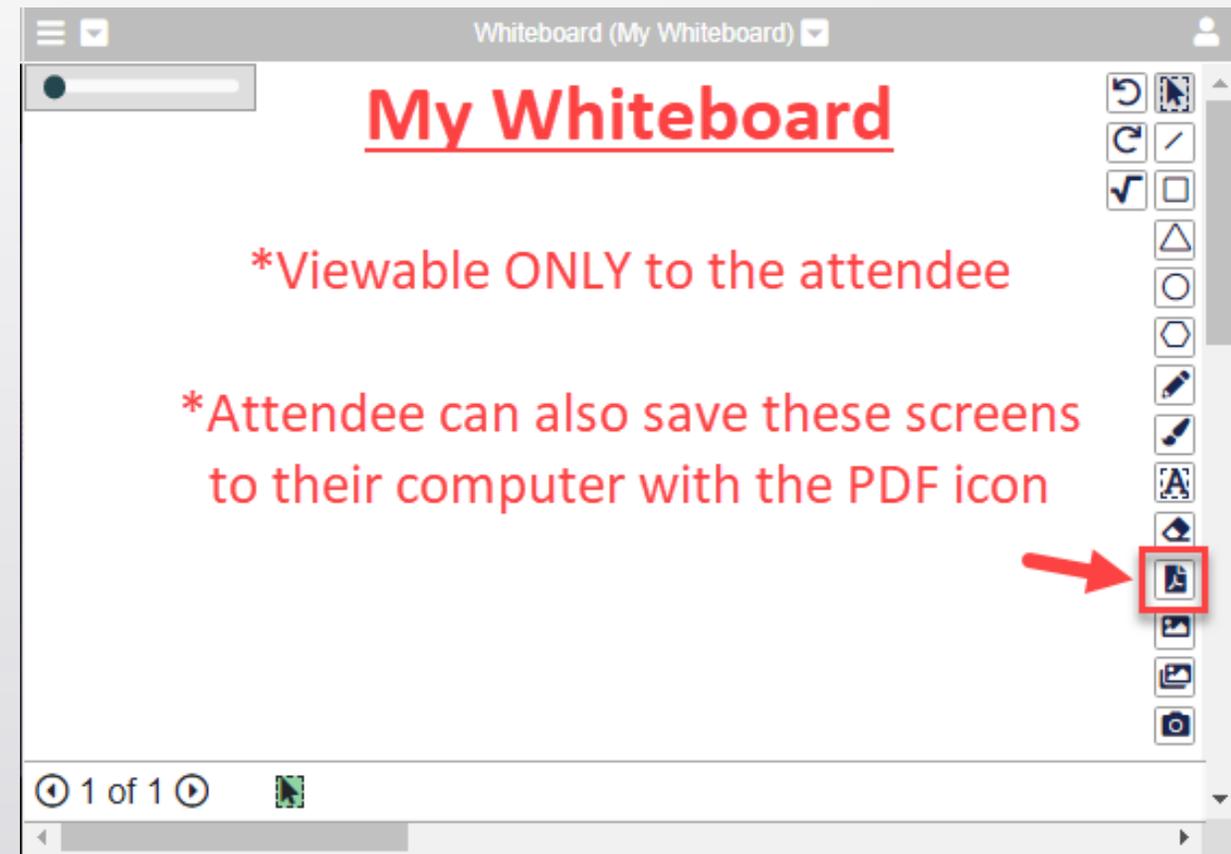

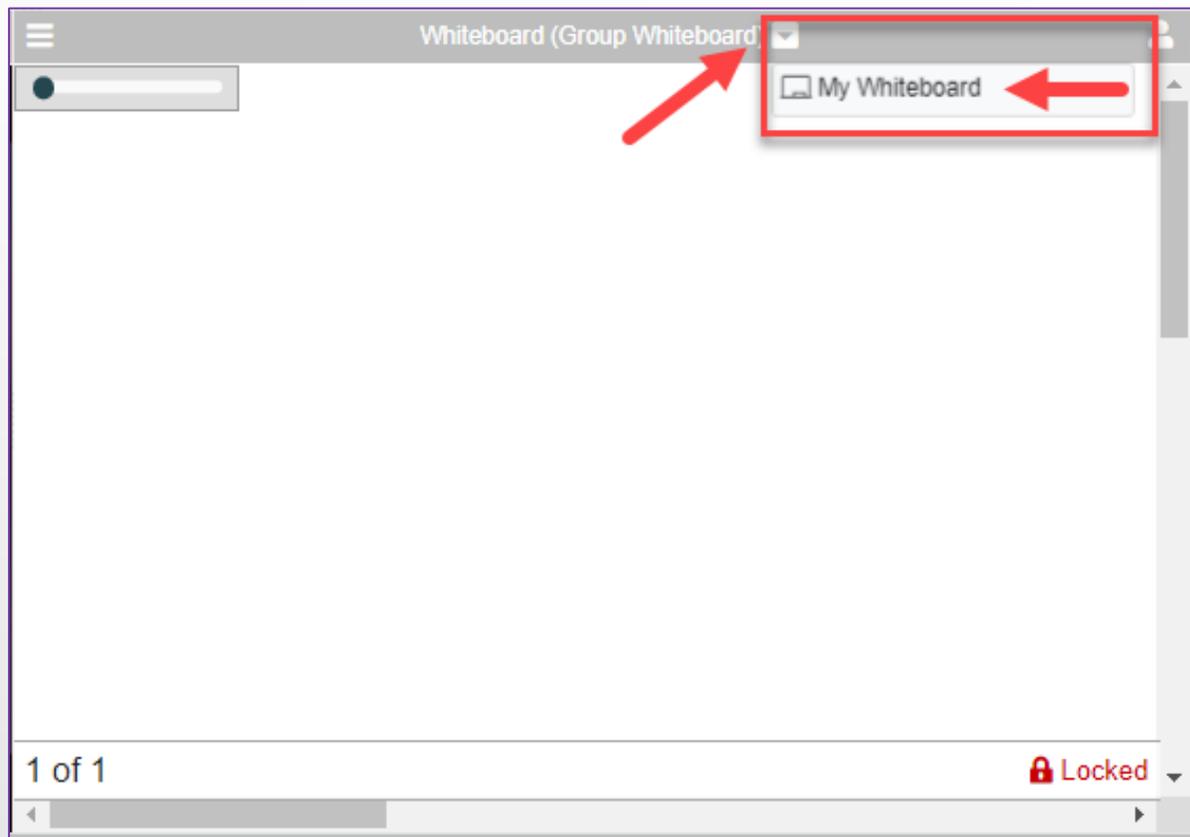

Whiteboard (My Whiteboard)

## My Whiteboard

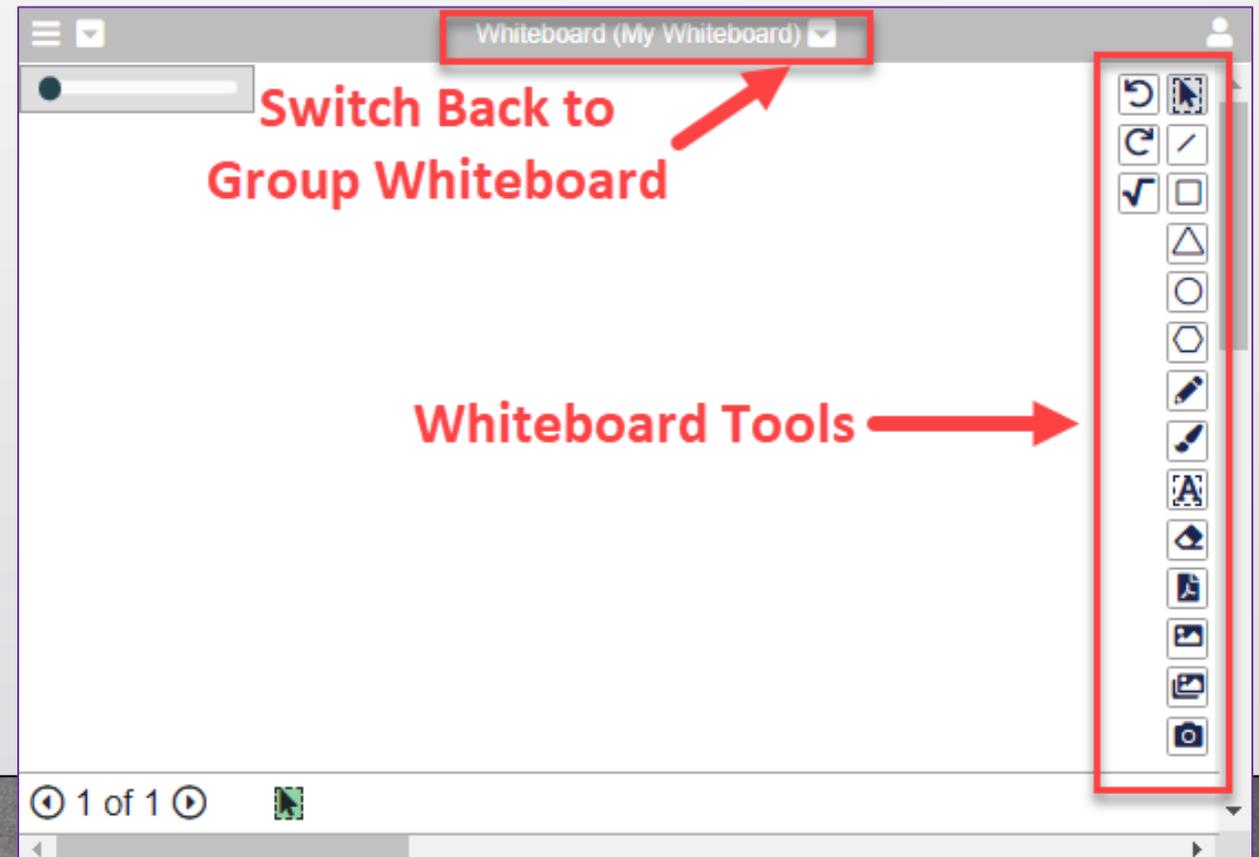

\*Viewable ONLY to the attendee

\*Attendee can also save these screens to their computer with the PDF icon

Switching between your whiteboard and the group whiteboard!

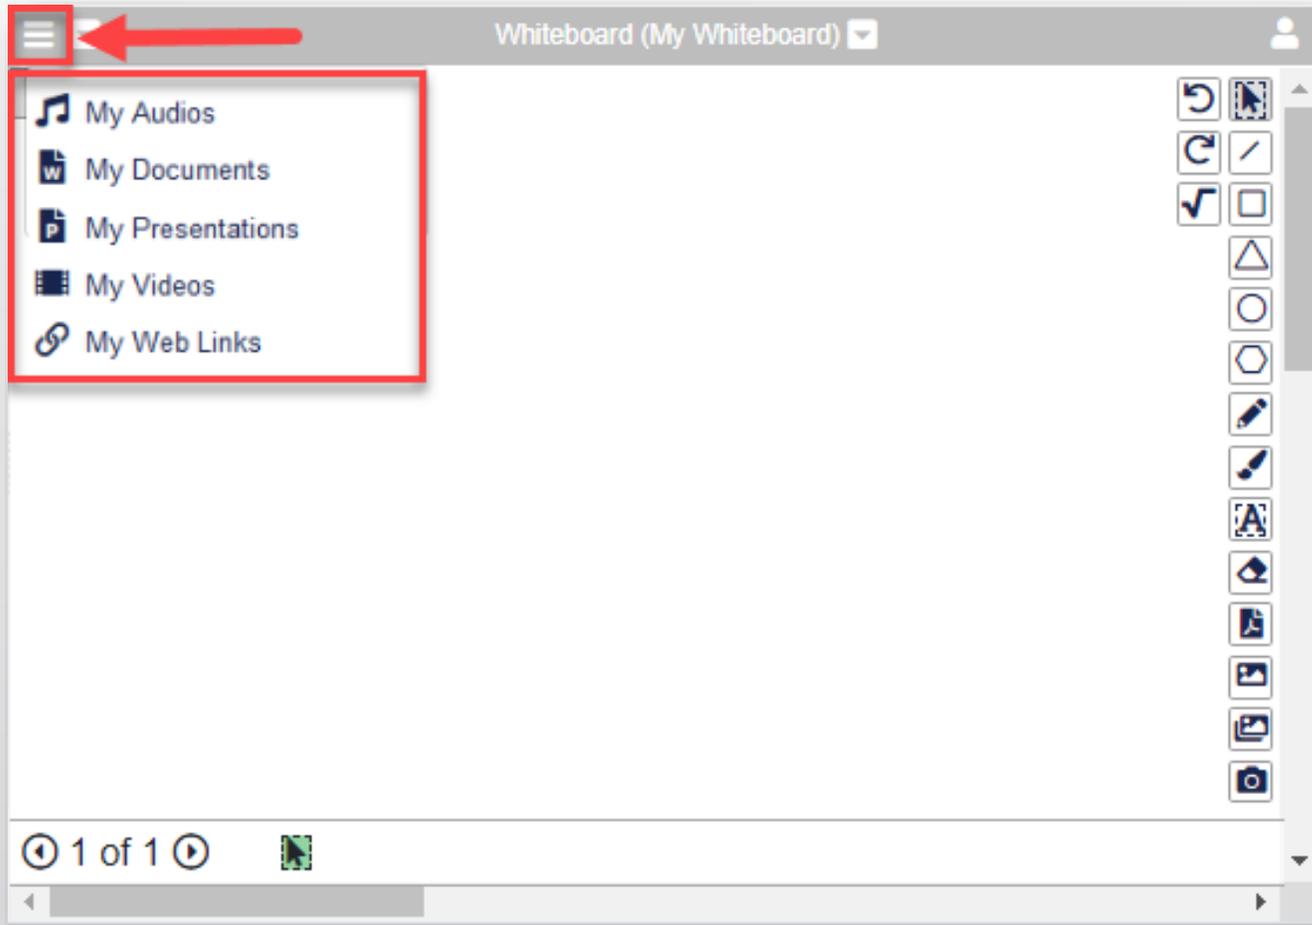

# Whiteboard Tools

The editing tools are located on the right side. If you do not see these tools, then the Whiteboard is locked.

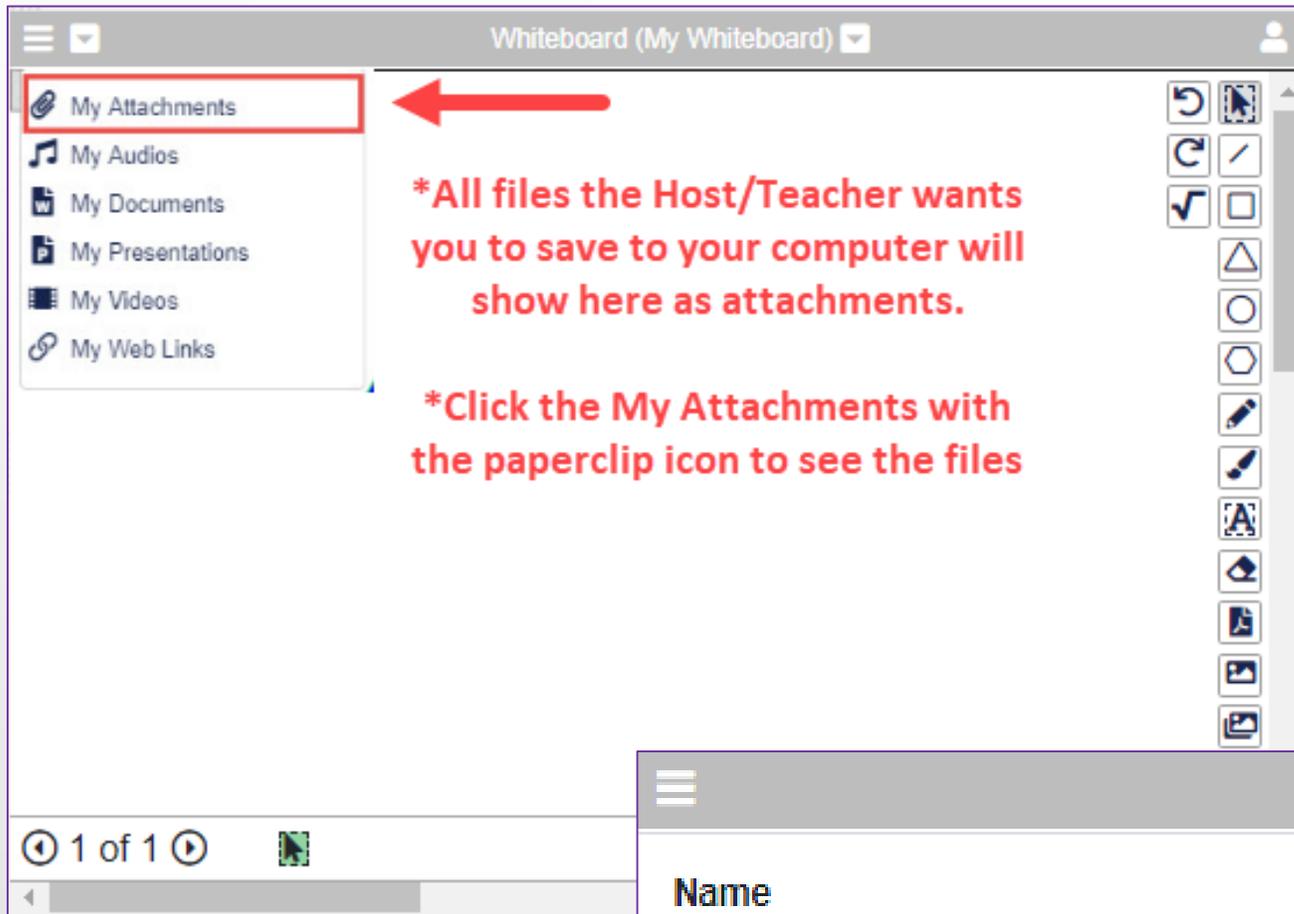

- **Save as PDF** - Allows you to export the content of whiteboard to a PDF File
- **Insert Image** - Allows you to add an image from the Image Gallery located in Pane 3
  - Image is moveable
- **Insert Background** - Allows attendee to add an image from the Image Gallery located in Pane 3 as a background image in the Whiteboard
  - Image is static
- **Insert Screenshot** - Allows attendee to capture an image from anywhere on their computer without leaving the Jigsaw Interactive session
- **Laser Pointer** - Allows the Host/Co-Host to use a laser pointer
- **Redo** - Allows you to add a previously cut object back onto the whiteboard
- **Undo** - Allows you to undo a previous whiteboard entry
- **Insert Equation** – Allows you to insert equations based off what the teacher allows

In the "Hamburger" (three lines) icon in the upper left corner of the pane, there will be options available as the host releases them. These menus will not appear until there are assets available. The attendee will be able to view these whenever is convenient as long as the attendee is in the session. The menus available are:

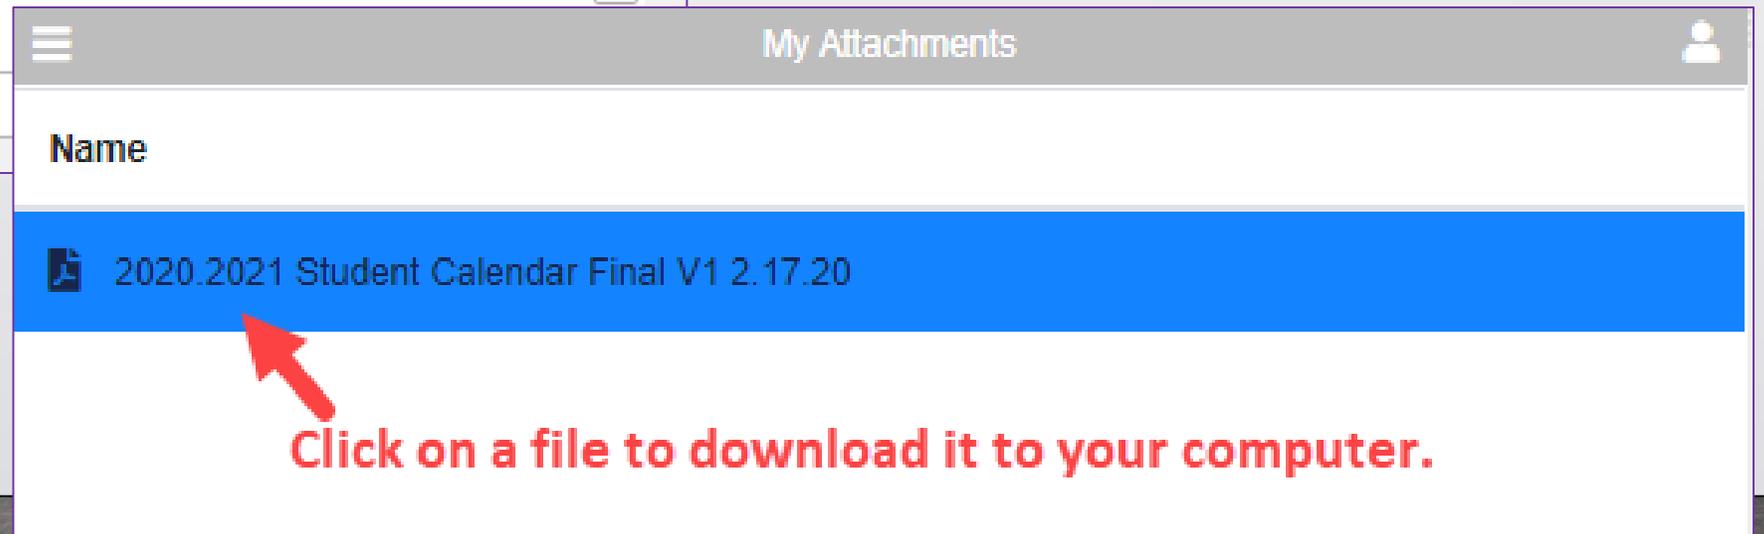

- My Audios
- My Documents
- My Presentations
- My Videos
- My Web Links

**\*All files the Host/Teacher wants you to save to your computer will show here as attachments.**

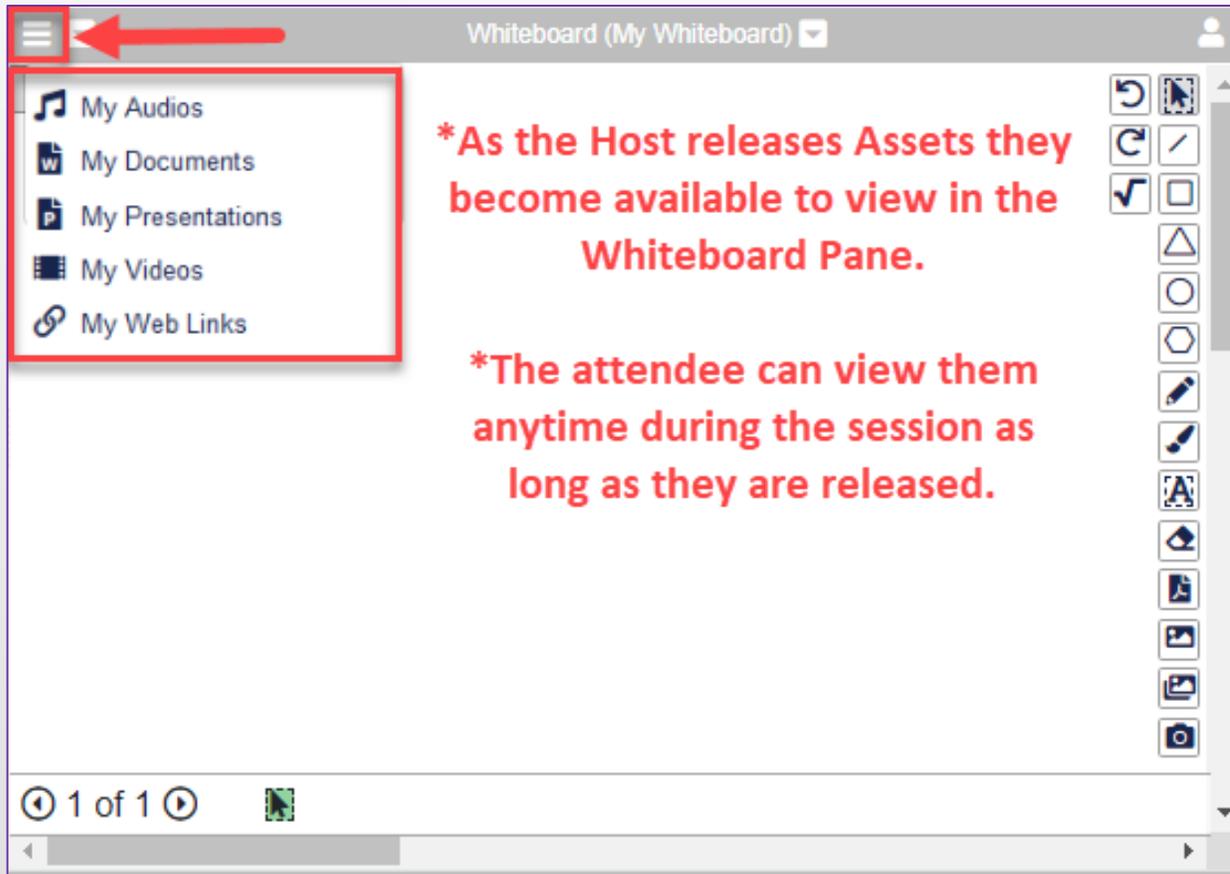

**\*Click the My Attachments with the paperclip icon to see the files**

Once there is an asset, click the **Hamburger** icon and select the option to view the asset. This is how you will view an asset for any of the menu options.

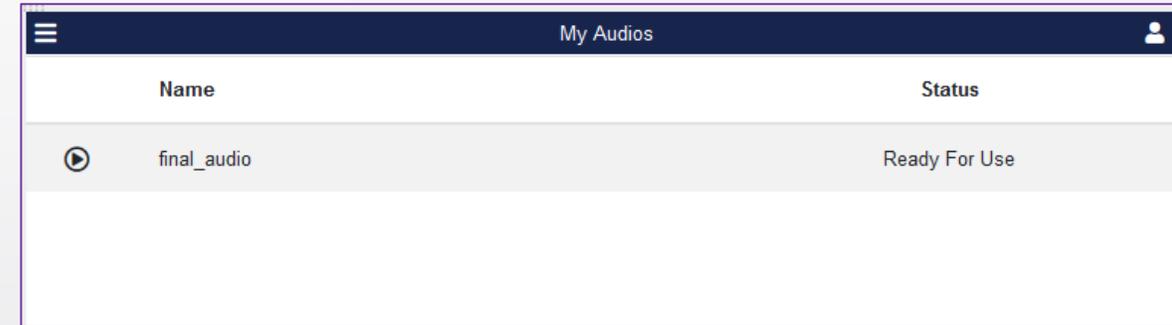

**Click on a file to download it to your computer.**

In this example, an audio file was released. If the attendee clicks play, then they would be able to listen to that audio file anytime during in the session.

The screenshot shows a whiteboard interface titled "Whiteboard (My Whiteboard)". A red arrow points to a menu icon in the top left corner. The menu is open, showing a list of asset categories: My Audios, My Documents, My Presentations, My Videos, and My Web Links. The main whiteboard area contains two red text annotations: "\*As the Host releases Assets they become available to view in the Whiteboard Pane." and "\*The attendee can view them anytime during the session as long as they are released." The bottom of the interface shows a navigation bar with "1 of 1" and a small thumbnail.

The screenshot shows a panel titled "My Audios" with a table of audio assets. The table has two columns: "Name" and "Status".

Name	Status
final_audio	Ready For Use

The screenshot shows an audio player interface. The top bar is titled "My Audios". The main area is black with the "jigsaw INTERACTIVE" logo in purple and green. The bottom bar shows playback controls: a play button, a progress bar, "1x" speed, "00:14 / 03:01" duration, a volume icon, and the filename "final\_...". A red box highlights the volume icon.

# Examples of how different items could appear for you in Pane 4!

**\*As the Host releases Assets they become available to view in the Whiteboard Pane.**

**\*The attendee can view them anytime during the session as long as they are released.**
