

TRIUMPH LEARNING GRADES 3-8

A Digital Teacher Toolbox

Trusted, teacher-directed content for instruction, reinforcement, and practice – all-in-one!

Triumph Learning offers research-based supplemental and test preparation resources through robust instructional materials. Serving all students with a mix of interactive digital tools and innovative student texts.

How Coach Digital™ works...

A series built from the ground up with the rigor demanded from the PA Core Standards teachers use Coach Digital™ within instruction or provide additional practice to their students at all proficiency levels.

How can Coach Digital™ help...

- Meets the challenge of PA standards with lessons designed around them.
- Students gradually advance towards independent learning.
- Provides real-time data from assignments & tests which helps a teacher further target instruction based on individual student needs.

Quick Start Steps

1. Go to: www.triumphonline.com/org/04953851
2. Enter your child's username and password then click, [Log In](#).
3. Begin by navigating the [Getting Started](#) page. Visit each of the following tabs to learn how to navigate the site.
 - [How It Works](#) - Provides details on teacher assignments to complete or review after grading.
 - [Completing Assignments](#) - Provides details on how to complete an assignment or test.
 - [Getting your score](#) - Provides all assignment scores and their results.
 - [More Books](#) - [View the Bookshelf](#) to [Discover](#) other grade level ELA and math books and their lessons. When you access a lesson there are tools available through the Actions drop-down menu. Look for additional writing practice tools within the document, as well. Tools offer an interactive experience to enhance a child's learning.
