i-Ready® GRADES K-2

i-Ready® answers "why?" and delivers "what's next?"

i-Ready®

i-Ready® is a single adaptive Diagnostic for reading and mathematics that pinpoints student needs down to the sub-skill level, and ongoing progress monitoring shows whether students are on track to achieve end-of-year targets. Personalized student instruction targeted to students' unique areas of needs will boost achievement.

How i-Ready® works...

Based on the results of the i-Ready® Diagnostic, students are automatically placed into student instruction customized to their placement levels. The online lessons provide a consistent best-practice structure and build conceptual understanding, in addition to being engaging and fun for learners of all levels.

How i-Ready® helps...

Our online instruction includes close reading lessons that provide even more instruction and practice on each standard. These highly engaging lessons provide a thoroughly immersive experience, giving students exposure to high-quality texts that guide them on their path to becoming thorough and analytical readers.

- Personalized learning experience
- Interacts with the student as a virtual specialist
